

UNIVERSITY EMPLOYEES

The University of Scranton current and retired employees who give to The Royal Fund annually demonstrate a remarkable caring spirit for our students living and learning on campus today. Each employee investment is a special tribute above and beyond the time and talent they provide each day. Employees can choose to directly support The Royal Fund unrestricted fund or designate their gift to an academic department or the library—the options are limitless.

The President's Circle President's Circle members are in bold type.

G – Graduate Degree
D – Doctorate Degree
