   - For us to increasingly become a place for students to embrace education not just in the classroom but outside the classroom
• To become a place that sees transformational education
• A place where the mind, heart and soul are integrated – this is when vocation in life is found.

Fr. Quinn announced that he is going to establish a Jesuit Center, which will be housed in Campus Ministries, to ensure that we keep our Jesuit mission in the forefront. He said that he is also going to establish an Office of Sustainability to educate staff, faculty and students on sustainable issues.

Fr. Quinn said the staff are an integral part of what happens at the University and that we are living examples of St. Ignatius’ view of education.
