2 Additional information related to this program and/or the information provided above
The Certificate Program in Enterprise Resource Planning (ERP) is offered by the Kania School of Management through its longstanding association with SAP, the world’s largest business software company, as a member of that organization’s University Alliances Program. This fully online program is comprised of courses that extensively utilize SAP’s ERP software, and is designed to enable professionals to enhance their managerial and technical skills set without having to leave their homes or interrupt their careers. ERP systems are setting the pace in the information technology revolution and are re-shaping the way the world does business. Equipped with proficiency in the configuration, utilization, and strategic application of ERP software across a wide range of business functions, those completing the program stand in a unique position to deliver value, innovation, and growth to their companies and to their own careers.
