a. tuition and fees  
   (24 credits @ $862 plus $300 in fees)  
   $20,988.00

b. room and board  
   $14,744.58

c. books and supplies  
   $2,089.88

d. personal expenses  
   (est. $400 for health insurance)  
   $2,982.72

TOTAL  $40,815.18

A graduate student will require $20,408 of projected support (plus an inflation factor) for each additional 1/2 year of study. Students in the MBA program, who are not required to take any foundation courses, can normally achieve their degree in 1 1/2 years. Most other master’s degree programs can normally be completed in 2 to 2 1/2 years.

Please complete the attached form using the aforementioned costs for your first year assured support and for your projected support for subsequent periods. Return the completed certified form with your application.

Your application cannot be processed until the form is returned.
