APPOINTMENTS

Recommendations for part-time faculty will originate in respective departments. These recommendations will be forwarded to the appropriate Dean. The Dean determines the salary based upon the appropriate salary schedule. Part-time faculty must supply curriculum vitae, an official transcript and a completed application. The Dean’s Office is responsible for conducting reference checks using the form contained in the search guide for full-time faculty.

Letter of Appointment

Appointment to part-time faculty positions will be made by letter and confirmed by a final computer generated schedule distributed by the Registrar at the beginning of each academic term.

Salary

Compensation for part-time teaching in the University of Scranton normally ranges from $500.00 to $1,000.00 per credit hour, depending upon degree earned and years of teaching.

Part-time faculty are expected to fill out an application form, the University’s PPAIDEN form, W-4 Form, Taxing Jurisdiction form, and the Employment Eligibility (form I-9). The appropriate Deans offices send these forms to you.

Payday for part-time faculty normally falls on the first of October, November and December for Fall Semester; and the first of March, April and May for Spring Semester. Checks will be mailed to your home address unless you request to pick them up at the Payroll Department. This request must be made in writing to the Payroll Department. Paydays for summer sessions are on the first of July and August and for Intersession, the first of February.

ACADEMIC CODE OF HONESTY

Students have the responsibility for governing their own conduct in compliance with the Academic Code of Honesty, which addresses behavioral integrity in the academic work of the University. Conduct that violates the Code includes plagiarism, duplicate submission of the same work, collusion, providing false information, unauthorized use of computers, theft and destruction of property, and unauthorized possession of tests and other materials. Steps taken in response to suspected violations may include a discussion with the instructor, an informal meeting with the dean of the college and a hearing before the Academic Dishonesty Hearing Board. Students who are found to have violated the Code will ordinarily be assigned the grade F by the instructor and may face other sanctions. The complete Academic Code of Honesty is available in the
deans’ offices, in the Student Handbook and on the Web at www.scranton.edu/student handbook.

FACULTY RESPONSIBILITY TO AND FOR ACADEMIC HONESTY

It is expected of the faculty of the University of Scranton that they will set a proper and effective tone for academic and intellectual inquiry. As role models, faculty should demonstrate characteristics which promote a sense of community within and among peers and the student body. At the heart of this community is a belief that academic honesty is derived from an appreciation for and adherence to moral integrity. Failures in the area of academic honesty strike at the heart of what is essential to the University community – the pursuit of truth.

Members of this University community, especially the faculty, should strive to guide the behavior of students through positive actions which clearly demonstrate that honesty and integrity are essential to the life of the University.

In light of these expectations the faculty should assess, accurately and effectively, the ability and achievements of their students. To do so, each faculty member should adhere to the spirit as well as the letter of this policy. Such adherence includes assessing and prosecuting to the fullest extent all violations of this code.

In order to carry out this policy properly, faculty are expected to:

a. familiarize themselves with this policy and its procedures;
b. familiarize themselves with statements on plagiarism and methods of ensuring compliance;
c. remind their students of the general principles and requirements of this policy, giving specific attention to pedagogical and assessment criteria employed in their particular course. Unique requirements necessitate specific promulgation.
d. reflect on the necessity for fairness/equity in assignments and tests. Such reflection ought to be concretely reflected in all assessment of students;
e. secure tests and course materials so as to insure equal access for all;
f. pursue perceived violations of this code as part of their role in assessment of the student, in the pursuit of truth and in the formation of an academic community.

These expectations are enumerated to assist the faculty in establishing and sustaining an environment where academic and intellectual integrity are highly valued; these goals are pursued as a necessary component of the educational community. The manner in which inquiries and discussion of infringements of this policy are pursued is important. All parties involved ought to remember that such inquiries and discussion, with colleagues or students, ought to be in pursuit of legitimate
educational interests. Frivolity, curiosity and careless identification of parties involved are not consonant with such aims.

You can access the Academic Code of Honesty in its entirety on line by using the address below:
http://matrix.scranton.edu/student_handbook/policy_academic_code_honesty.html

OTHER UNIVERSITY CODES AND THE CIVIL LAW

The University's "Rights and Responsibilities..." Code proscribes conduct that will often have a direct bearing on the ability of faculty and students to achieve their academic goals. Therefore, violation of the "Rights and Responsibilities" Code will often result in a violation of academic integrity as well. For example, harassment, physical and verbal abuse, drunkenness, disturbance of the peace, etc. impair academic life. If a violation occurs which might be addressed by either code, the University will pursue action under either the Academic Code of Honesty or the "Rights and Responsibilities..." Code but not both.

If a question as to which code should be applied to a particular situation arises, the Provost and the Vice President for Student Affairs will confer concerning the particular venue of the potential violation and reach a decision.

WORKPLACE PROHIBITED BEHAVIORS

Possession of firearms, explosive devices, martial arts paraphernalia, knives, or any weapon of any kind are forbidden anywhere on campus.

The University of Scranton prohibits threatening or violent behaviors directed at an individual, group of individuals, or class of individuals or relatives of those individuals. This policy applies to any threats or acts of violence related to the University of Scranton workplace. Prohibited behaviors include, but are not limited to:

a. Threats or acts of violence made directly or indirectly by words, gestures or symbols;

b. Threats or acts of violence that are targeted at any specific class of individuals;

c. Intimidating threats or acts in any manner or form, which intimidate, coerce or cause fear of harm
GENERAL FACULTY RESPONSIBILITIES

Responsibilities of part-time faculty include:

a. Satisfactory fulfillment of teaching duties and other assigned responsibilities;
b. Observance of promulgated academic regulations concerning class attendance, cancellation of classes, examinations and grades;
c. Preparation, proctoring and grading of student examinations; direction, reading, and evaluation of student papers and reports;
d. The academic advising and guidance of students. Minimally, it is expected that instructors will accommodate students on an appointment basis. Students are to be informed in writing of the instructor's availability for outside consultations at the beginning of the semester;
e. Distribution of course syllabi, current copies of which are to be submitted to the department and distributed to students;
f. Cooperation with the chairperson and dean in enforcing academic regulations;
g. Maintenance of a high standard of conduct, integrity, trust and professionalism when dealing with students, other faculty, administrators and the public; and
h. Compliance with all federally mandated policies, such as the Affirmative Action Plan and the Drug-Free Workplace Policy. These policies are available for review in the Human Resources Office.

EVALUATION GRADING

Provisions for changing/amending course syllabus

Part-time faculty should check with their respective academic departments regarding any additional specifications, e.g., inclusions of accreditation standards, conceptual frameworks, etc.

(Taken from ideas presented in The Art and Craft of Teaching, Margaret Morganroth Gullette Ed., and articles in The Teaching Professor).

COURSE EVALUATIONS

Course evaluations are administered by the Center for Teaching and Learning Excellence (CTLE). The Center also provides support to faculty and students for the Online Course Evaluation System (OCE).

a. All part-time faculty should rate their course objectives using the Online Course Evaluation System. This includes full-time administrators or members of the professional staff who may be teaching part-time. It does NOT include Emeriti Professors, who will be evaluated as full-time faculty. Rating your course objectives is very important because by not doing so it significantly decreases the validity of the comparison process. This adversely affects all faculty members.

b. Each semester, email messages will be sent to all part-time faculty indicating the timeframe for rating objectives and/or adding additional questions. These email messages are only sent to University of Scranton email accounts. For assistance on how to access your University email, contact the Technology Support Center at 941-4357 (941-HELP).
c. Each department should devise a system for evaluating part-time faculty each semester, using at least the results of the student evaluation forms, and involving full-time faculty. The system should be reported to the Dean’s Office by the departmental chairperson. All full-time faculty who are involved in the department's evaluation system for part-time faculty will have access to the part-time faculty evaluation files.

d. Official personnel files for all part-time faculty are maintained in the Dean's Offices. At a minimum, the results of the student evaluations each semester and the departmental evaluation each year will be placed in the evaluation file. Additional items may be placed in the evaluation file by the part-time faculty member him/herself.

e. Part-time faculty may examine items in their evaluation files in the Dean’s Offices. Twenty-four hours notice is required.

OBSERVANCE OF SCHEDULE

Schedules for classes and assignments for classrooms as issued by the Registrar’s Office are to be adhered to exactly. No changes of any kind are to be made without approval of the appropriate dean.

FACULTY ABSENCE

When faculty expect to miss class due to a planned absence (e.g., for professional meetings or planned medical procedures), notice of the absence and plans for coverage or cancellation of classes should be given to both the department chair and to the Dean's office through which the class is scheduled, the Registrar’s Office and to the University receptionist 941-7400 (if after 3:30 p.m.). Approval may be assumed unless the faculty member hears otherwise from the dean. Plans should be made for making up or covering missed classes.

ATTENDANCE POLICY

Students are expected to attend all scheduled meetings of courses in which they are enrolled. Every student is responsible for all material presented and announcements made during any class. Attendance policies for individual courses are determined by the instructor and must be promulgated in writing in the course syllabi.
CANCELLATION OF CLASSES

Cancellations due to inclement weather will be broadcast by 6:00 a.m. for day classes and by 3:00 p.m. for evening classes on local radio and television stations. The status of classes may also be checked through a recording by dialing 941-5999.

COMPRESSED CLASS SCHEDULE FOR INCLEMENT WEATHER

Information about cancellation of classes or delay of classes due to inclement weather is announced over television and radio stations. Information also can be found by calling the University Severe Weather Hotline at (570) 941-5999 or the University main number at (570) 941-7400. If a delay rather than cancellation of classes is announced during the fall and spring semesters, we will follow a compressed schedule. The address to access the compressed schedule online is:

http://matrix.scranton.edu/academics/ac_ro.shtml

CLASS LISTS, GRADE ROSTERS and ENROLLMENT RESPONSIBILITIES

Preliminary Class Lists are forwarded to both graduate and undergraduate faculty during the week immediately preceding the first day of classes. The names of all advance registered students are printed on these lists.

You may have students show up in class whose names do not appear on the class list. These students most likely 1) did not register for the course by the day on which the class rosters were run, 2) registered for a course or section different than the one they are attending, or 3) were dropped by the Bursar's Office because they had not made financial arrangements. If the student has, in the interim, taken care of his/her obligations, the student should show you a signed and dated Schedule Change or Late Registration form. Otherwise, for registration issues, the student should be directed to the Assistant Dean or Advising Center of their college or for payment issues to the Bursar's Office. It is the student's responsibility to correct the situation immediately; otherwise, the student will not receive a grade for the course.

All faculty are encouraged to maintain an attendance record for at least the first two weeks of class. This record will help establish a student's attendance in a class, if a question of "refund" arises.

Corrected Class Lists are forwarded to all faculty two class days after the last day on which students may add classes.

The instructor is responsible for directing any person whose name does not appear on the official roster to go to his/her Advising Center or Dean's office as soon as possible. These students may continue to attend class only after presenting a signed and dated Schedule Change Form to the instructor.
Any student who attends class, but who is not properly registered will not receive a grade at the end of the semester. If a student is listed on the official class list but is not attending, note this on the Registrar's Office copy of the official class list and return it on or before the due date. The Registrar's Office will attempt to contact the student to inform him/her that the student is responsible for officially dropping the course.

Class lists are also available for viewing, printing or exporting to an Excel file online via UIS at https://uis.uofs.edu or Campus pipeline at http://pipeline.scranton.edu. Log in using your user-name (R-number or e-mail name) and password or PIN (your date of birth in the form of ddmmyy). To view a class roster, select the term and CRN for the class. Select either the Detail or Summary Class List options. To download your roster as an Excel or ASCII file, click on the download option within the roster. To print the roster, click on the print button of your browser.

Mid-term Grades are required only for freshmen and deficient undergraduate students and must be submitted through the University Information System (UIS) on the web. Instructions for grade submission are sent to the faculty each semester, and it is necessary to have an active and updated PIN in order to use the grade submission system. Even though the web grade roster will show all students registered for the courses being taught, only freshmen (class=01) and deficient non-freshman (i.e. deficient sophomores (02), juniors (03), and seniors (04) are to be assigned grades in the mid-term process. Deficient grades would be C-, D+, D, or F. When a deficient grade is assigned, at least one deficiency code must be assigned for the student. Possible deficiency codes are:

1= Deficient because of test grades
2= Deficient because of assignments, projects, quizzes
3= Deficient because of absences
4= Deficient because of background/aptitude

Final Grades are required for both undergraduate and graduate courses and are also submitted through the University Information System (UIS) on the web. Instructions are sent to the faculty each semester, and it is necessary to have an active and updated PIN in order to use the grade submission system. Once an instructor is logged into the grade submission portion, the system will automatically present the courses for which he/she is listed in the Banner system. Only those students whose names appear on the roster are entitled to final grades. Only valid grades for each student and course are offered, which minimizes errors. An incomplete grade may be reported only if the course has not been completed due to illness or some other serious reason. Web grade submission provides 24/7 convenience (except Saturday mornings) from varied sites, but grades must be submitted by the due date in the University catalog (usually within 72 hours after the week of finals).
GRADING SYSTEM

UNDERGRADUATE (CAS, PCPS, CGSCE and KSOM)

Grade reports are mailed to all students at the end of each semester, and these reports become part of the official record of the student. In addition, freshmen receive mid-term grades to inform them of their progress. Upper-class students receive notice at mid-term if they are "deficient" and in danger of failing the course. It is suggested that faculty evaluate students prior to midterm, so students can gauge their progress in their classes.

*Check University of Scranton Undergraduate Catalog for dates

A, A-  Excellent (outstanding and/or original work)
B+, B, B-  Good
C+, C  Satisfactory
C-, D+, D  Passing but well below average
F  Failure (below minimum acceptable standard)
W  Withdrew officially; deadline is one month before the last day of classes for the semester
I  Incomplete must be removed by mid-term of following semester
IP  In Progress must be removed by the last day of the following semester. (Normally for honors thesis classes only.)
S, P  Satisfactory, Pass not figured in Grade Point Average
U  Unsatisfactory - equivalent to failure
AU  (Audit) Course not taken for credit. Entry of the audit grade, (AU, on a transcript assumes satisfactory attendance. The student should consult with the instructor as to what constitutes satisfactory attendance. A change to audit can be made only by passing students and before the end of the first half of a semester.

INCOMPLETE

If a course has not been completed because of illness or other serious reason, an incomplete may be given. To remove this grade, the student must satisfy all course requirements by mid-term of the following semester. Any course not completed by this time will result in a grade of F.

PASS/FAIL, CREDIT/NO CREDIT

Students who have a GPA of 2.67 or better and have accumulated at least 60 credits toward their degrees may elect to take some courses on a Credit-No Credit basis.
Students choosing this option must apply by seeking approval from their dean’s office and submitting the completed forms to the Registrar’s Office by the end of the second week of the semester (or by the second day of the summer sessions and Intersession). The option cannot be reversed after the fourth week of class (or the fourth day in the summer sessions or Intersession). Courses that the student will use to fill free elective or free cognate requirements are eligible under the Credit-No Credit Option. The following courses are not eligible: courses used to fulfill general education requirements, including Writing Intensive (WI) and Cultural Diversity (DC), courses in the major and required cognate, courses in a minor or concentration, and those used to fulfill requirements in the Honors and SJLA programs. Students may take no more than a total of four courses under this option and no more than one per semester (other than internships, practicums, or physical education courses).

Students would receive one of the following grades under the Credit-No Credit option:
- **CS (Credit Satisfactory):** Notation when grade is C or higher; counts in Earned Hours for the degree but not in the GPA and Dean’s List calculation.
- **CD (Credit Deficiency):** Notation when the grade earned is passing but less than a C (such as a C-, a D-, or D); counts in Earned Hours for the degree but not in the GPA and Dean’s List calculations.
- **NC (no Credit):** Notation when the grade earned is less than passing (F): does not count in Earned Hours toward the degree or in the GPA or Dean’s List calculations.

**WITHDRAWAL FROM AN UNDERGRADUATE COURSE**

A student wishing to withdraw from a course should first discuss the matter with the instructor. Withdrawal always entails financial loss. After the partial tuition refund period ends, dropped courses will be recorded on a student's academic record with a "W." Students who wish to withdraw from one or more course(s), but who plan to continue to attend at least one course for the term, need to secure the teacher's signature(s) of any dropped course(s) and the student's dean's approval.

Those students who wish to drop all course(s) must complete the Withdrawal/Leave of Absence Form. The completed form must be taken to the Office of the Registrar or to Dexter Hanley College (DHC students). Failure to withdraw from a course(s) may result in a failing grade(s).

The deadline for course withdrawal is indicated on the University academic calendar. This deadline is approximately thirty days before the last class day for the semester and a proportionate period of time for a short session.

**REPEAT OF COURSE**

Special permission is not needed to repeat courses. Recording of grades for repeated courses shall be governed by the following conditions: 1) Credit for a course will be
granted only once; 2) Credit for the course will be lost if the course is repeated and failed; 3) The most recent credit and grade will count toward the GPA with this exception: a "W" grade cannot replace another grade; 4) Each attempt to complete a course will be reported on the student's transcript.

CHANGE OF GRADE (Appeal Process)

A student who believes the grade received for a course is unreasonable should first appeal the matter to the professor, whose decision is normally final. The student has the right, however, to appeal to the faculty member's chairperson, who will make a recommendation in writing to his/her dean. The student may request the dean to review the matter. The decision of the dean is final. Ordinarily, no grade change will be considered unless it has been raised to the level of the dean's office within one month from the time the original grade was sent to the student.

GRADUATE SCHOOL

The following grades are used in graduate course work:

A  Superior/Outstanding
A-  Excellent
B+  Very Good
B   Good
B-  Fair
C+  Passing grade
C   Minimal passing grade
F   Failure
S   Satisfactory grade if grading mode is "IS" (not computed in GPA)
U   Unsatisfactory or Fail if grading mode is "S" (not computed in GPA)
IP  "In Progress;" used only for thesis work which is not yet completed. This grade is temporary, and once the work has been completed, it must be converted to one of the permanent grade symbols.
W  Withdrawal; Note: students may not withdraw within the last four weeks of class.
I  Indicates postponement of the completion of a course. It is given at the discretion of the instructor to a student who is doing satisfactory work but who has not completed all of the course requirements at the end of a given semester. Failure to complete the necessary work within the stipulated time results in automatic conversion of the "Incomplete" to a permanent grade of F.
AU  Indicates that a student has taken a course for which permission has been granted without a grade being awarded. Students must secure such authorization prior to the start of a course. Entry of the audit grade on a transcript assumes satisfactory attendance at class meetings. The student
should consult with the instructor to determine what constitutes satisfactory attendance.

Graduate students must maintain a cumulative GPA of 3.0 (B average) in order to remain in good standing. Failure to do so results in being placed on academic probation or being dismissed. Consult current *Graduate School Catalog* for further details.

**WITHDRAWAL FROM A GRADUATE COURSE**

Students are alerted that they may drop a course during the time in which they are entitled to a refund of any amount. To drop a course students must complete a "Schedule Change" form, which is available in the Graduate Office. This form must be completed and returned to the Graduate Office within the time in which students are entitled to a refund. The drop will be treated as if the student never registered for the course.

After the time in which a student is entitled to a refund has elapsed, students will be permitted to withdraw from a course.

To withdraw from a course, students must complete a "Schedule change" form and return it to the Graduate Office. The student's transcript will contain the course number and title, along with a "W" for "Withdraw."

**ADDING A COURSE**

To add a course, students must complete a "Schedule Change" form. This form must be completed and returned to the Graduate Office by the time of the "add deadline" in the academic calendar.

**CHANGE OF GRADE**

If an instructor wishes to change a grade for a student, an official Change of Grade form must be completed, signed by the instructor, and approved by the Dean of the course. Change of Grade forms are available from the Registrar's Office. The form, once fully completed with appropriate signatures, should then be submitted to the Registrar's Office for undergraduate students, or the Graduate School for graduate students. The grade will then be changed on the student's transcript. In no case should a Change of Grade form be given to a student to deliver.

Appeal of a Graduate Course Grade Policy has been approved by the Graduate Dean's Conference and appears in the current *Graduate School Catalog*:  
FINAL EXAMINATION CONFLICTS

1. When a student has 3 or more examinations scheduled on the same day, according to the examination schedule issued by the Registrar's office, it is the student's option whether to take all 3 examinations on the same day or to have one rescheduled.

2. If the student wishes to have one of the 3 examinations rescheduled, the examination with the lowest priority will be rescheduled, based on the following order of priority:
   - Major course - first priority
   - Cognate course - second priority
   - Elective course - third priority

3. Where a conflict exists between two courses of the same kind (e.g., two cognates or two electives), the more senior professor -- in terms of years of service at the University of Scranton -- will have first priority.

4. If the student wishes to reschedule a conflict examination, he/she must advise the faculty member prior to Dead Week. If an appropriate resolution cannot be reached between the student and the faculty member, the student should contact his/her Dean.

GUEST SPEAKERS

When appropriate, faculty may invite guests to class for lectures, group presentations or demonstrations. Honorariums for guests are limited. Requests for honoraria/presentation fees must be presented to department chairs well in advance of the session so that the chair, in turn, may obtain appropriate approvals from the Dean and Provost/Vice President for Academic Affairs.

INTERNSHIPS

Internships are available to the students both for credit and not for credit.

For Credit Internships are individualized, supervised experiences in a work or volunteer setting which the University judges to be worthy of academic credit. The internship should help students gain new knowledge and apply classroom knowledge, so their knowledge becomes contextualized and operational. The internship needs to be structured according to departmental guidelines so that student, faculty member and on-site supervisor know what is expected of each so that it is truly an educational experience. Internships usually occur during the student's junior or senior year and should be on a P/F basis. Compensation will be based on number of students enrolled for the course. Guidelines and internship forms are available from the Deans' offices and from the Department Chairs.

Internships Not for Credit are experiences for which credit is not reflected on the official transcript. Through Career Services, there are opportunities for students to do paid and non-paid internships for not-for-profit and profit organizations and companies. These experiences may be reflected on the Co-curricular Development Transcript available via University's web page.

The CTLE, through the Reading Specialist, offers individual assessment and tutoring to assist students at the University of Scranton to develop and/or enhance effective reading comprehension strategies. The CTLE Reading Specialist will meet with students on a one-on-one basis to explore active reading techniques based on your learning style.

Accommodations for Students with Disabilities

The CTLE serves as a one-stop portal for students with special needs (disabilities). CTLE staff members, Mary Ellen Pichiarello, Learning Enrichment Specialist, and James Muniz, Reading Specialist, will assist students with assessment and documentation of needed accommodations. Students who need accommodations such as extended test time or distraction-free environment can be accommodated at the CTLE.

Faculty Development

The CTLE also offers opportunities for faculty in the area of mentoring programs, enhancement of pedagogy, and the use of technology to support teaching and learning on the campus. A variety of workshops, seminars and one-on-one consultation is available to University faculty.

The goal of the CTLE is to encourage and actively support a strong culture of scholarship for a diverse university community. To learn more about the CTLE’s programs and services for students and faculty visit our Web site at www.scranton.edu/ctle or phone 570-941-4038.

Writing Center

The CTLE’s writing center provides students with support during all phases of the writing process. Students may “drop in” at the writing center for individual consultations with peer tutors or adjunct faculty.

Instructional Technology Services

The CTLE provides assistance with technology for teaching and learning purposes to both faculty and students. Technical staff and student consultants are available to assist with services such as: getting started using Blackboard and its advanced features; developing sophisticated web pages; creating E-Portfolios; enhancing PowerPoint presentations with sound and graphics; scanning; audio/video streaming services; and instruction on how to use technology on campus. In support of faculty assigned tasks, faculty members should make arrangements with the CTLE for students to receive assistance in these areas.
**Math Specialist**

The Math Specialist works closely with the Mathematics Department to ensure that the CTLE’s tutoring strategies meet the needs of Math students. He collaborates closely with his colleagues at the CTLE to provide extensive tutoring services to Math students. He trains and manages the Math tutors, and engages in tutoring activities himself by working with individual students, and conduct workshops and presentation on topics pertaining to learning strategies in mathematics.

**Online Tutorials and Workshops**

The CTLE provides online tutorials on topics such as note taking, college reading, organization, etc. on its web site. The CTLE web site is at [http://www.scranton.edu/ctle](http://www.scranton.edu/ctle). **THE HARRY & JEANETTE WEINBERG MEMORIAL LIBRARY**

You may schedule a tour of the Library with an overview of resources in your subject area by calling 941-4000. Library hours, policies and information about programs and resources are available at [www.scranton.edu/library](http://www.scranton.edu/library). [www.academic.scranton.edu/department/wml/library_tour.html](http://www.academic.scranton.edu/department/wml/library_tour.html)

There is a Java City coffee bar located in the library Pro Deo Room.

**Circulation of materials**
Faculty may borrow books for the academic year; part-time faculty may borrow books for the period of one semester for which they are under contract. Part-time faculty receive a notice of the books they should return at the end of each semester. At the end of the academic year, faculty receive a list of materials they have charged out. Faculty may check off items they wish to renew and return the list to the Circulation department. Any item may be returned at that time or at any time during the year. The period of loan for Media Resources materials is one week. Faculty may borrow “non-circulating” items (Reference books, current and bound periodicals) by making arrangements at the Reference desk for books and the Circulation desk for journals. Since these are high demand items, loan is limited to one week, subject to immediate recall. Items for Reserve and those for which there is a waiting list are also subject to recall.

**Information Literacy**

Faculty may schedule an Information Literacy Session by contacting library staff at 941-4000. Faculty members must attend the session with their class. Students may make individual appointments for information literacy instruction. Information Literacy instruction is tailored to the class assignment. There are grants available for embedding information literacy into the curriculum.

Databases: The Library subscribes to 160 databases. For databases by subject, see [http://academic.scranton.edu/department/wml/datasubject.html](http://academic.scranton.edu/department/wml/datasubject.html). The My.Scranton login is used for accessing databases remotely.

**Reserves**

Faculty may place print items on reserve, non-print Media Resources materials at the MRC, and scanned documents or electronic items on Electronic Reserves (ERes). There is a 72 hour processing period for reserves. Especially at the beginning of a semester, the Library receives heavy reserve requests. To expedite processing reserves, provide complete bibliographic information including the author, title, source and copyright date as required by copyright regulations. Faculty will receive notification when his/her reserves are processed and available. The Library pays a copyright fee for the use of any item that does not fall within the fair use exemption of copyright regulation. If the Library is unable to get permission for using an article or chapter, that item cannot be placed on reserve. Please do not announce that items are on reserve until you receive this confirmation. If you have any questions about Reserves, call 941-6330 for Media Resources, 941-7524 for print, and 941-6135 for ERes. Please check to see if the Library owns an item before sending a class to use that item.

For assistance using the Library call the reference desk at 941-4000 or click on Ask-a Librarian 24/7 email, live chat or IM support located on the Weinberg Library’s web site.

Traditional Interlibrary loan is through ILLiad for a one month loan with renewal at the discretion of the lending library. Interlibrary loan of articles is through an email link to the document through Ariel, electronic document delivery. Books can be picked up at the circulation desk. On the Library’s Electronic Forms page, there are forms for interlibrary loan of books and of journal articles. Students who are distance learners need to fill out a form to indicate they are available for additional interlibrary loan services. These services include scanning and delivery of articles owned by the Weinberg Memorial Library and mail delivery of books. THE LEAHY CENTER

The Edward R. Leahy, Jr. Foundation was founded in 1995 by Edward and Patricia Lahey to honor the life and memory of their son, Edward R. Leahy Jr., whose personal disabilities were attended to with compassion and skill by many health professionals over the course of his life. The Leahy Center provides financial resources to support theoretical and applied research, faculty development, and support for programs that advance the cause of disabled persons who need long-term assistance. The Foundation supports the work of persons practicing in physical and occupational therapy, nursing science and related health-care areas, with particular interest in individuals and groups that approach their practice as scholars, teachers and practitioners. Primary recipients are University of Scranton faculty from the Panuska
College of Professional Studies, consisting of the Departments of Counseling and Human Services, Education, Exercise Science and Sport, Health Administration and Human Resources, Nursing, Occupational Therapy, and Physical Therapy.

UNIVERSITY PARKING

The University of Scranton has established the following parking regulations and procedures. All provisions of the vehicle code of the Commonwealth of Pennsylvania and University of Scranton will be enforced on the University campus.

You must register your vehicle with the Parking and Traffic Office. Parking permit applications are available online at www.scranton.edu/parkingpermit. The first time you apply for a permit you will be prompted to forward a copy of your vehicle registration to the Parking and Traffic Office. In subsequent years, you will only have to send a copy of your vehicle registration if your vehicle or license plate has changed.

The receipt of a completed application and fee offers the faculty member a parking permit that must be displayed only on the outside of the vehicle. (See Parking Regulations booklet, page 2.) Parking is authorized in any non-reserved space. It is recommended that vehicles be kept locked to prevent theft of valuables while parking in University parking lots. Only the current permit should be displayed on your vehicle.

Vehicle insurance and/or appropriate financial responsibility as required by law is the individual’s responsibility.

In order to preclude difficulties for visitors to campus, faculty members should contact the Parking and Traffic Office (7888) to make the necessary arrangements. Any unauthorized motor vehicle (not having a current parking permit) parked on the University of Scranton campus is subject to ticketing and/or removal at owner’s expense. City police also indicate that motor vehicles illegally parked on streets surrounding the University will be ticketed.

If you have any questions or need assistance with this process, please contact the Parking/Traffic Manager at 941-7888.
