The University of Scranton is a broadly regional institution of more than 6,000 undergraduate and graduate students located in northeastern Pennsylvania near the Pocono Mountains. Recognized nationally for the quality of its education, Scranton is one of 28 Jesuit colleges and universities in the United States. It is committed to providing liberal arts education and strong professional and pre-professional programs in the context of Ignatian educational principles, especially the care and development of the whole person. Drawing on the strengths that have made it a recognized leader in the Northeast (ranked in the top 10 among the master’s universities in the north by U.S. News & World Report), Scranton is committed to a culture of scholarship and excellence and is moving into the front ranks of America’s comprehensive universities.

The University of Scranton is, by tradition and choice, a Catholic and Jesuit university. A full statement of our mission may be found at http://www.scranton.edu/mission. The University of Scranton is an EOE/Affirmative Action Employer/Educator. Veterans, minority persons, women, and persons with disabilities are encouraged to apply.

The University of Scranton invites applicants for the following faculty positions that begin in August, 2016 unless otherwise noted. Salary is commensurate with credentials and experience. A full description of the duties of full-time faculty can be found in the University Faculty Handbook at https://www.scranton.edu/academics/provost/FAC/fac_handbook.shtml. Faculty receive a competitive benefits package, including support for academic development and research. Information about the departments and the University may be found at http://www.scranton.edu.

All applications must be completed on-line. For more complete position description and specific information about the application procedure, please go to https://universityofscrantonjobs.com.

**TENURE TRACK FACULTY POSITIONS**

**COLLEGE OF ARTS AND SCIENCES**

The Department of Biology

Assistant Professor - Physiology. The area of specialization within physiology is open; however, we are particularly interested in applicants with expertise in comparative, evolutionary, environmental, or neural physiology. The successful applicant will contribute to the general physiology and introductory lecture and laboratory courses for majors and non-majors and will have the opportunity to develop upper level courses in their specialty. Excellence in teaching and an active research program that involves mentorship of undergraduates are expected. Ph.D. required by start date; postdoctoral experience preferred.

The Department of Sociology, Criminal Justice and Criminology

Assistant Professor. Applicants must provide evidence of effective teaching, a sound research agenda, and a commitment to service that will support the mission of the University of Scranton. The teaching and research specialization will be related to the American court system or to American policing with an emphasis on either crime mapping, criminal analysis, or crime prevention. Applicants must possess a terminal degree (Ph.D.) in criminology, criminal justice or closely related field. The J.D. is not considered a terminal degree for this position. Previous teaching experience in an academic setting is preferred.

**PANUSKA COLLEGE OF PROFESSIONAL STUDIES**

The Department of Exercise Science

Assistant Professor in the Community Health Education Program. The successful candidate will teach beginner through advanced community health education courses which may include but are not limited to Intro to Community Health, Multicultural Health, Health Behavior Theory, and Program Planning, Implementation, and Evaluation and Internship. Additional courses may be assigned within the Department of Exercise Science and Sport. Candidates are expected to have a Ph.D. or Ed.D. in community health education, health promotion or a related field. ABD candidates with completion within 18 months of appointment will be considered at the rank of Lecturer with promotion to Assistant Professor with award of the doctoral degree. Credentialing as a Certified Health Education Specialist is required within 1 year of employment. Preferred qualifications include evidence of research productivity, previous undergraduate teaching at the university level, and professional experience in the health education/health promotion field.

Assistant Professor Exercise Science. Courses taught will be selected from the following list, but would not include all: Intro to Sports Physiology, Anatomy and Kinesiology, Exercise Testing and Programming, Clinical Exercise Physiology, Advanced Physiology of Sport and Exercise, or Research Methods. Applicants with expertise in the fields of anatomy, biomechanics, or sports medicine are also desirable depending upon the applicant’s area of expertise. Applicants are expected to have a Ph.D. in human/exercise/applied/neurophysiology, kinesiology, human anatomy, or a related field. ABD candidates will be considered at the rank of Lecturer, with completion expected within 18 months of appointment. Preferred qualifications include evidence of research productivity and previous undergraduate teaching experience.

The Department of Occupational Therapy

Tenure track, open rank. This is an accredited 5 year Master of Science in Occupational Therapy program. Qualified applicants must have an earned academic doctorate (e.g., Ph.D., Ed.D) in occupational therapy or a related field. The successful candidate will demonstrate an area of clinical expertise, the ability to facilitate faculty mentored student research, and a record of teaching effectiveness. Leadership opportunities are available for candidates with strong qualifications. The candidate must be eligible for licensure as an Occupational Therapist in Pennsylvania. Candidates must have an earned, non-clinical doctorate in occupational therapy or a related field or have completed the doctoral degree by August 1, 2016 to be appointed.

**KANIA SCHOOL OF MANAGEMENT**

The Department of Operations and Information Management

Assistant Professor in Information Systems. Qualifications: Ph.D. or a DBA in Management Information Systems or a closely related field from an AACSB accredited business school. Preference will be given to candidates with teaching/research interests in at least two or more of the following areas: networking, web technologies, database management, business intelligence, ERP applications, health informatics, data mining, and business analytics, and social networking. Prior teaching experience in e-commerce courses and proficiency in Java, VBA, C++, SQL, SAP, ERP and ASP.NET is preferred. ABDs within one year of completion will be considered at the rank of Lecturer.

The Department of Accounting

Assistant Professor: Information Systems & Auditing. Applicants must be qualified to teach at the undergraduate and graduate levels, demonstrate scholarly research activities which meet AACSB-related criteria, and be committed to service. The primary teaching responsibilities will be in the areas of accounting information systems and auditing. An ability to teach writing intensive and accounting communications courses is desirable. The qualifications for the position include an appropriate earned doctorate from an AACSB accredited institution or ABD (at the rank of Lecturer) with completion expected within 18 months of appointment.

The Department of Management, Marketing and Entrepreneurship

Assistant or Associate Professor. Applicants in all areas of marketing are welcome, but expertise in one or more of the areas of retailing, sales management, sustainability and sports marketing are of particular interest. Applicants must be qualified to teach at the undergraduate and graduate levels, demonstrate scholarly research activities which meet AACSB-related criteria, and be committed to service to university, profession and community. Qualifications include an appropriate earned doctorate in Marketing or ABD (at the rank of Lecturer) with completion expected within 18 months of appointment from an AACSB-accredited doctoral program. The Kania School of Management is AACSB-accredited at both the undergraduate and graduate levels.

**NON-TENURE TRACK FACULTY POSITION**

**KANIA SCHOOL OF MANAGEMENT**

The Department of Accounting

Faculty Specialist (renewable, full time, non-tenure track). Candidates must possess a masters degree, strong communication skills (both written and oral), a CPA, and meet our AACSB criteria for being professionally qualified and/or academically qualified to teach accounting courses. Prior teaching experience is preferred. Duties include the teaching of a variety of accounting courses at both the undergraduate and MBA levels, including the on-line MBA program. These may include, but are not limited to: auditing, accounting systems, intermediate accounting, taxation, and writing-intensive courses.
