

USING A TURNITIN DROPBOX

A Turnitin dropbox allows students and faculty to submit papers and run originality reports to see if these papers contain any plagiarism or similarities to other work. To create a new Turnitin dropbox:

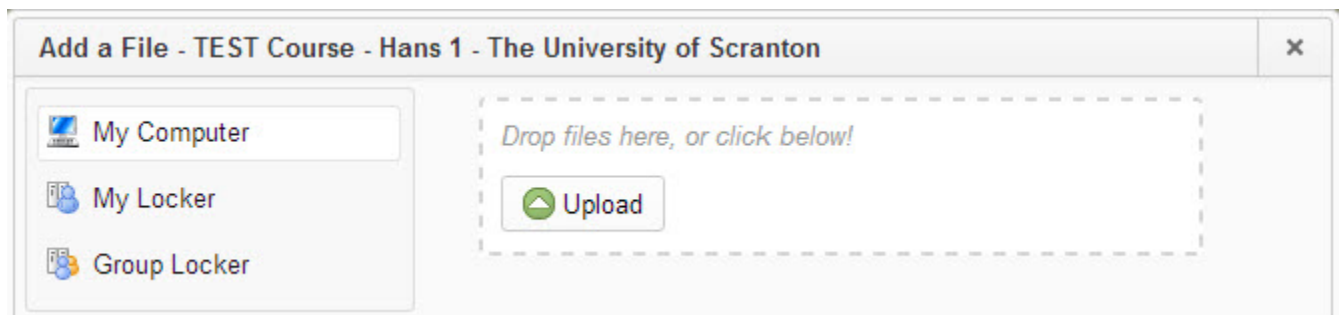

1. Find the Turnitin drop box under the Assignments/Content tab and click the name of the drop box

2. Click on the **Add a File** button.

3. Make sure **My Computer** is selected on the left hand side, then click **Upload** and search for your desired file on your computer.

4. Provide any needed comments for your instructor.

Comments

Submit Cancel

NOTE: Recommended file types are .DOC and .DOCX. The file size limit is 20MB.

5. Review your submission information carefully, then click **Submit**.

To see the report generated for your submission, return to the dropbox under the content module.

1. Click on the **View** chat bubble to view your Turnitin results.

NOTE: Most originality reports are displayed in their respective Turnitin dropbox in 5 to 10 minutes. However, if the same paper is resubmitted, there is a mandatory 24 hour wait before the new originality report is displayed. *Release and timing of originality reports is at the discretion of your instructor.*
