Dear ##First Name##,

I had the opportunity to be on campus this past weekend. I can not begin to describe the differences that have occurred over the past 2 years let alone the past 35 years. Imagine not dodging traffic on Linden or having a cup of coffee at Starbucks in the student center. Or having a convenience store on campus? Amazing! I was talking to Justin Murphy, Class of '76 last weekend. He was a lower quad guy and I was upper quad. Do you remember the great intramural competition that arose because of our dorm location? It would be great if all the members of the ICC football team could get together. Where are you Danny Whitaker, Jack Whalen, Bill Stapleton, Mike Mee, Neil Schwartz and everyone else? Do you guys remember when the senior team had to recruit Gene Mumford and Billy McCue to beat us in the finals? Speaking of the McCue's is Tim joining us? Not to be "dorm-centric" but I hope that the Calpin brothers, Billy Nealon and their fellow dusk brothers are attending. I know Jim Garabaldi and Tony D would love to see you. We had a small group 5 years ago but we had fun - right Marty Butler? Imagine the fun we could have if we all showed up. Just don't get lost on our new campus.

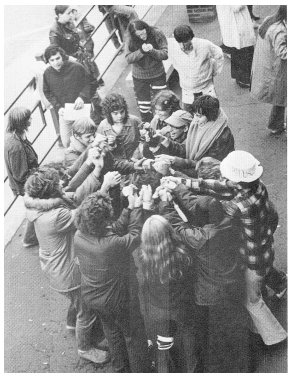

Ralph DiRuggiero
