Counseling Services
Our counselors are Mental Health Professionals who provide confidential counseling in-person or over the phone for a variety of stressful issues such as marital, family, substance abuse, depression, stress, grief, health, and more. Each counselor carefully listens to your needs and either offers short-term counseling focused on coping strategies or makes an appropriate referral to long-term counseling or specialized care.

Child/Elder Care Resources
Access resources to help you find the child and elder care that you need. We can assist you with finding a pediatrician, babysitter/nanny, camps, sports lessons, music lessons, and college applications and financial aid. Eldercare resources include help with housing options, assisted living facilities, Medicare, doctors, financial planning, and transportation.

Legal and Financial Consultations
Access BalanceWorks® to utilize your no cost legal and financial consultations. Half-hour legal consultations can be done over the phone or in-person, and can be used for issues such as divorce, custody disputes, and wills. Discounted legal fees are also available if a longer consultation is required. Half-hour financial consultations are provided over the phone and can provide assistance with topics such as debt consolidation, tax questions, student loans, and investments.

Personal Assistant
Personal Assistants (PA) are work/life experts who provide you with research, referrals, or information on just about any topic. The PA service is unlimited and available 24/7 to respond to your requests, helping you to make informed decisions while saving you valuable personal time.

Personalized Web Portal
Your web portal provides work/life resources such as e-Learning courses, Ask-A-Counselor, and articles for personal and professional development. You can also submit and track requests to your Personal Assistant, chat live, and use the interactive calendar and date reminder.

Mobile Access
Utilize the BalanceGo Mobile App to access counseling and work/life resources from your Android or iOS devices. You can contact a Personal Assistant, submit a question to Ask-A-Counselor, and start legal and financial requests, all from the convenience of your mobile device.

Confidential Assistance:
We understand that it takes courage to reach out and ask for help.

That is why we take special measures to make sure you are comfortable and that your information and identity are kept confidential - even from your employer.

The only exception of confidentiality occurs when members are at risk of harming themselves or others or when the welfare of a child is in question.
