Committee: University Assessment Plan Implementation Team

**Charge:** The team is charged with guiding the implementation of the University’s Comprehensive Assessment Plan (CAP). In this role, the team will:

- Develop a plan for educating faculty, staff, and administrators about issues related to the assessment of student learning and institutional effectiveness.
- Monitor the University’s progress on the CAP Implementation Timeline and make adjustments to the assessment process outlined in the CAP as needed.
- Review proposals requesting funds to support program/unit assessment activities.
- Make recommendations related to the integration of the CAP with other University processes, such as the Annual Report, Academic Program Review, and course-embedded assessment.

The team will remain in place through 2008 and assist with the review of the CAP in preparation for the University’s Self Study and evaluation team visit for its Middle States reaccreditation.
