Fall 2010 Headcounts by Ethnicity

Note: The ethnic data reported here reflects only that which is voluntarily supplied by our students. In Fall 2010, the Federal government changed the requirements for reporting ethnicity. Current students are asked if they consider themselves Hispanic and if they consider themselves one of the other races indicated above. Students have the ability to choose multiple selections or none at all. These numbers will be reported for the first time in the 2010-2011 IPEDs cycle.
