

The image features a light gray background with several concentric circles, some solid and some dashed, creating a ripple effect. A large, solid blue oval is positioned in the center-right of the frame. Inside this blue oval, the word "Entrepreneurship" is written in a white, bold, sans-serif font. A thick, dark gray curved line sweeps from the bottom left towards the blue oval, partially overlapping its edge.

Management Strategies

Be prepared to start in entry-level management trainee positions or corporate rotational training programs.

Gain related experience through internships or summer and part-time jobs.

Work at a retail store or restaurant; advance into an assistant manager position.

Get involved in student organizations and assume leadership roles.

Demonstrate a strong work ethic, integrity, and a sense of independence.

Take courses in a secondary specialty such as marketing or information systems to increase job opportunities.

Learn to communicate effectively with a wide variety of people and to work well on a team.

Develop strong problem solving skills.

General Business Information

General business is a broad area that can lead to many career opportunities. Students should clearly define their goals and seek experiences and skills necessary to reach those goals.

Gaining relevant experience through part-time and summer jobs or internships is critical.

Learn about various fields of business through research on internet sites, informational interviews of professionals, and exposure to work environments through shadowing, volunteering, or interning.

Develop interpersonal and organizational skills through participation in and leadership of student organizations. Strong communication skills, including public speaking, are also important to achieving success in this field.

Learn to work effectively with a wide variety of people and to work well in a team environment.

Get involved in student professional associations in field of interest.

Develop and utilize a personal network of contacts. Once in a position, find an experienced mentor.

Consider earning an MBA or other related graduate degree after gaining work experience to reach the highest levels of business management.
