Commuter Student Association Meeting Notes

By: Saghar Helen Akhondi, CSA Vice President

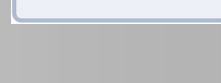

The Commuter Student Association held another bi-weekly meeting on Thursday, February 23rd. Planning the Commuter Student Appreciation Week was the main focus of this week's meeting. Appreciation Week will run from April 10-April 13th and will feature a different event each day, such as a pretzel giveaway, study slams, bowling, etc. and what everyone has been waiting for: our late night event! For those of you artists, we are having a logo design for our club, with designs due by March 21st.

The CSA "rewards point system" was introduced to all of our members during the meeting. CSA members will now receive "points" for attending meetings and events, planning events, and recruiting new members. Once a total of 10 points is reached, the member will then receive a reward (zip-up hoodie). Points easy to receive and our events are always fun! Come to a meeting or CSA event, get a point! Help plan an event, get five points! Bring a commuter friend, get a bonus point!

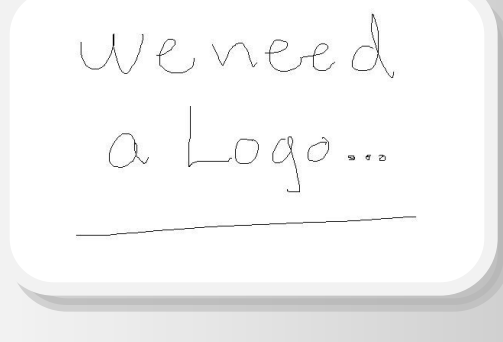

Last, but not least was another intriguing game of Apples to Apples played at the end of the meeting. We hope to see you at our next meeting on March 8th at 5pm in TDC 214!

Zipcar Rental Survey:

The Scranton Emerging Leaders II Program is trying to make a change on campus! As part of our year-long commitment to SEL II, we are required to identify an area of campus for improvement, create a proposal for our change and complete our change project. The goal is to try and make a change, big or small, to improve our campus. If you would please take a moment of your time to answer a short survey, we would love to hear your input about bringing the rental car company, Zipcar, to our campus. Check out the [Zipcar](#) website to learn about this unique car rental company.
