

## ANNUAL WINTER CLUB FAIR OPEN TO CLUBS AND ORGANIZATIONS FOR REGISTRATION

1/28/14

It's that time of the school year again and the 2014 spring semester is already upon us! The Clubs and Organizations Office and The Center for Student Engagement welcome all Student Government sponsored clubs of the University to attend the annual winter club fair, which will take place Friday, Feb. 7 at 11 a.m.

Club fair registration is officially open to club and organization leaders! The annual winter fair allows clubs to introduce their individual club missions and activities to students. Club leaders are encouraged to take advantage of this opportunity to showcase their club to other students, faculty and staff on campus. This year, the fair is taking place in the lobby of the Long Center – a new location for students and convenient for everyone. In addition, club leaders can bring their laptops to offer prospective club members to join their club's portal on the spot!

*Typically the club fair is hosted at the beginning of the fall semester when students return to campus, but three years ago The Clubs and Organizations Office and CSE decided to try a winter fair for those students who did not or could not attend in the fall. Successful from the start, the winter fair gave students who were either unavailable to attend in the fall or those who were too overwhelmed after first arriving on campus another opportunity to make a decision about joining a club.*

To register your club or organization for the winter club fair, please visit <https://orgsync.com/70079/events/672897/occurrences/593063>. Make sure to coordinate the registration with your club officers – only one submission is necessary of each club.
