Section 2. The Student Activities Fee Account is a revenue-only account into which all Student Activities Fees are deposited.

Section 3. The University of Scranton Programming Board (USPB) and all officially chartered requesting clubs are funded out of the Student Government Expenditure Account in addition to major Student Government Expenses.

- a. All transactions regarding the Student Government Account must be approved by a majority vote of the Student Senate.
- b. Once appropriated, all club funds shall be budgeted and remain in the Student Government Account. No further Student Senate approval is necessary for the spending of these monies. The Executive Treasurer of Student Government, working in conjunction with the Dean of Students and the Office of Clubs and Organizations, will execute and monitor all club expenditures.

Section 4. The Student Government Operations Account is generated from the General Fund of the University. The Student Government Operations Account funds the daily operations of Student Government. The Executive Officers shall determine the appropriate expenditures of these monies.

## **ARTICLE VI**

### **Student Club and Organization Funding**

Section 1. In order for a club or organization, including Student Government, to be eligible for and receive appropriated funds the following criteria must be met:

- a. The organization must be officially chartered with funded status.
- b. The organization must have a constitution on file with the Office of Clubs and Organizations.
- c. The organization must have an updated roster and completed registration form on file with the Office of Clubs and Organizations.
- d. The organization must have the minimum required community service activities completed and on file in the Office of Clubs and Organizations.

1. All funded clubs and organizations must complete a minimum of three service activities per academic year. All unfunded clubs and organizations must complete a minimum of one service activity per academic year.
  - a. A community service activity constitutes an event approved by the Center for Service and Social Justice at which twenty-five percent of the members of the club must be present. In lieu of an event, a significant monetary donation from funds raised by the club may serve as an official community service activity for one of the three requirements. Amount must be deemed significant by the Office of Clubs and Organizations.
2. Community service deficiencies will result in a percent deduction of the initial amount appropriated to the organization as follows:
  - a. Two activities completed results in a one third deduction.
  - b. One activity completed results in a two thirds deduction.
  - c. No activities completed results in ineligibility to apply for funding for the academic year.
3. Funded clubs that have not completed any service will be put on probation:
  - a. Failure to complete at least two service projects for each of the three years while on probation will allow Student Government to revoke the club's charter.

e. The organization must maintain a zero or positive balance in their agency account.

Section 2. The following guidelines govern the appropriation of funds to student organizations with an unfunded status

- a. Clubs with an unfunded status cannot receive funding.
- b. Clubs with an "unfunded" status may have their funding status changed to funded if approved by a majority at a Student Senate Meeting provided quorum is met.

Section 3. The following guidelines govern the appropriation of funds to student organizations.

- a. The following can be funded by Student Government:
  1. Programs and/or projects that are educational in nature and benefit the Undergraduate Student Body of The University of Scranton.
  2. Social events open to the entire University community.
  3. Travel expenses necessary for intercollegiate events, conferences, and club trips.
  4. Equipment and clothing only when an organization can demonstrate a programmatic need for such items (these items must remain with the organization and not become the property of individuals).
  5. National/Regional/Local conferences.

Section 4. Funds are to be expended only for the purpose outlined in the Budget Allocation. Under no circumstances can club funds be used for other purposes without prior approval. The Executive Treasurer can approve an amount of 0-500 dollars. The Appropriations and Student Transitions

Committee can approve an amount of 500-2,000 dollars. Student Senate must formally be involved with an approval of over 2,000 dollars.

Section 5. Funds to be appropriated to clubs for the following academic year will be voted on by the Student Senate at the first Student Senate meeting of the newly elected Student Government for the following year.

Section 6. In keeping with University fiscal policy regarding the expenditure of University funds, final approval of all budgetary allocations is made by the divisional leader (Vice President for Student Life). As such, once the President of Student Government signs the appropriation legislation, that legislation will be sent to the Vice President for Student Life as a recommendation. The Vice President for Student Life will review the legislation and either approve or send back to the Student Government with revisions.

Section 7. Student Organization Appeal of Allocated Budget

- a. If a Student Organization or Club feels Student Government is not justified in denying any part of their annual budget request, the club holds the right to appeal the specific part of their budget in question.
- b. Appeals must be approved prior to Fall Break.

Section 8. New Initiative Funding Request

- a. On the occasion a club has an unforeseen expense after the budgeting process has been completed a club may request New Initiative Funding.
- b. The unforeseen cost must fit with the appropriations guidelines above.
- c. The unforeseen cost must not be part of the club's annual budget request.

  3. When a Senator gains the floor, all points of discussion must be addressed to the Chairperson of the Student Senate.
  4. Introducers of legislation shall not be allowed to move to have the same legislation put to an immediate vote during his/her introductory presentation.
  5. The President of Student Government will advise the Chairperson of the Student Senate of time during debate.

#### Section 4. Voting Guidelines for the Student Senate

- a. Procedure for Voting
1. The Secretary shall produce a roll-call or electronic vote for the motion on the table, and each Senator shall respond in the affirmative “Yea” or in opposition “Nay.”
  2. If a Senator chooses to abstain, the Senator shall respond “Abstention.”
  3. The roll-call shall proceed in the order of position.
  4. The Secretary shall record the votes. All votes, except those involved with appointing new Student Government members, are to be published in the minutes and to be made available to the campus community.
- b. Restriction on Voting in Cases with a Conflict of Interest

1. When a conflict of interest arises, a Senator shall voluntarily abstain, and if the Senator fails to abstain and votes, the Senator's vote shall be removed from the roll-call, and the Senator shall be given a warning by the Parliamentarian.
2. If a Senator repeatedly votes where conflicts of interest arise, and if the Senator fails to heed warnings, the Senator's actions shall be considered grounds for calling their seat into question.

#### Section 5. Repeal of a Resolution

1. The process of repealing a Resolution should only be proposed after serious deliberation and investigation.
2. A Bill shall be introduced that details the reasons for proposing the repeal of a previous Resolution.
3. All parties to the Resolution in question shall be allowed to defend the Resolution before the Student senate.
4. By a two-thirds majority, the Resolution repealing the previous Resolution shall be passed, and the previous Resolution thus repealed.
5. The President of Student Senate may veto the repeal. Should a veto occur, Student Senate may override the veto with a three-fourths majority.
