

## **Government Related Internships**

### **U.S. Senator Patrick Toomey (R-PA)**

Senator Toomey offers internships in all of his Senate offices throughout the year. Internships are unpaid and are open to all Pennsylvania college-age students. An internship in one of our offices provides Pennsylvania students the opportunity to learn more about the federal government, the legislative process and the responsibilities of a U.S. senator. State office interns will experience more direct constituent contact through phone duties, answering constituent mail, helping constituents solve problems with federal agencies, and attending town hall meetings and community events with the Senator's outreach staff. We encourage applicants who are motivated and interested in government and public service. The internship program is designed to provide the knowledge, skills, and tools that will assist an intern in all future professional endeavors. Send a resume and cover letter to Nancy Gudino at: [Nancy\\_Gudino@toomey.senate.gov](mailto:Nancy_Gudino@toomey.senate.gov). Experience: federal elected official/ Northeast PA concerns
