University Police are investigating a series of thefts from unsecured lockers in both the Fitness Center in Pilarz Hall and the men’s pool locker room in the Byron Complex.

Several University students have reported their wallets, cash and debit cards stolen from lockers or storage cubbies. These thefts have occurred over the past couple of days, perhaps weeks. Anyone who had cash, credit cards or debit cards taken from the Fitness Center or the Byron Complex, should report these thefts directly to University Police.

All valuables, especially wallets, credit cards and cash must be secured in a locker or kept on your person. Do not leave any items of value unattended even for a short period of time.

If anyone witnessed these incidents or has any further information regarding these thefts, contact University Police at 570-941-7888. Information may also be provided confidentially by using the University Police Silent Witness form.

Community Advisories are provided to inform students and employees of incidents that could represent a threat and will remain posted for 48 hours.
