COMMUNITY ADVISORY
Date: December 28, 2021

Scranton Police are investigating a burglary that occurred some time between the conclusion of the Fall semester and Monday, December 27, 2021 in the 400 block of Clay Avenue.

An employee for the landlord discovered an off-campus residence on Clay Avenue had been broken into through a back door. Scranton Police searched the residence and it appeared each apartment had been forced open. Scranton Police were unable to determine what may have been taken and were working with the landlord on notifying the property’s residents.

If anyone witnessed this incident or has any further information, contact Scranton Police at 570-348-4141 or University Police at 570-941-7888. Information may also be provided confidentially by using the University Police Silent Witness form.

Students, especially those who live off-campus, are reminded to keep all doors and windows locked, preferably with a chain lock or deadbolt. Adequate outdoor lighting is an effective deterrent. To minimize the opportunity for theft, students are encouraged to take small electronics and anything of value home while on extended breaks. Remain vigilant and report anything suspicious immediately by calling University Police at 570-941-7777 or Scranton Police by calling 911.

Community Advisories are provided to inform students and employees of incidents that could represent a threat and will remain posted for 48 hours.
