Rooms can be reserved at these rates three days before and after the event subject to availability. Staying at one of the above contracted hotels is important to PA National History Day (NHD) organizers, to the destination where we are holding this meeting, and ultimately to you as a NHD attendee. Organizers have contracted for discounted group rates to give attendees the best value possible, and to also help ensure the integrity of program costs to NHD. Book your room using the above list and mention National History Day when you call the hotels - this will help organizers provide ample rooms at discounted rates for future events. Being able to provide the actual number of hotel rooms occupied increases future negotiating power for NHD. Thank you for not using a travel agency or wholesale website when making your hotel reservations. Please support PA National History Day by reserving your room at one of our official hotels.
