National History Day in Pennsylvania Judging Policy

1. Every effort is made to ensure that judging of the National History Day in Pennsylvania competition is fair and accurate. Any student, parent or teacher who wishes to comment upon the judging at the local, district or state level shall do so in writing. A response shall be made in writing. No comment shall be made by telephone or through personal contact unless the relevant contest official deems it necessary, in which case the official will initiate or invite the contact. There is no time limit for comments and no limit on the number of written communications an individual may submit. 2. No local, district, or state coordinator or any official at the NHD national office has the authority to overrule, set aside, or otherwise undermine a judge's decision, and under no circumstances shall a judge's decision be changed. This is true whether a complaint alleges scoring miscalculation, bias, prejudice, or any other error. All judging is final. 3. Judging forms will be returned to advancing students at the conclusion of the state contest. All other forms will be returned within 30 days.
