“The last two speakers of a language haven't spoken to each other for 50 years. A linguist will undertake the challenge of convincing them to talk again, so he could record their language.”

Guarani

Paraguay/Argentina, 2015

Available on Kanopy!

“Part road movie and part coming-of-age drama, this film portrays two generations of Paraguayans whose views of the world seem centuries apart. The film follows fisherman Atilio as he travels with his granddaughter, Iara.”

Southern District

Bolivia, 2011

Available on the University Digital Library!
