

Why Study International-Language Business?

- International-Language Business is a professionally oriented degree that combines upper-level business courses with a language curriculum in French, Spanish, or Italian
- Its purpose is to make language study a more career-structured discipline by providing students with the opportunity to acquire a liberal education while, at the same time, taking courses specifically relevant to a business enterprise

Employment

A degree in international language-business prepares you to use your language and business skills with multinational countries in the global workplace
