WHY SCRANTON?
Excellence in academic and professional competencies. Jesuit values. Successful outcomes. You’ll find all of this — and more — when you choose The University of Scranton for your Master of Health Administration degree. Our dedicated faculty will work alongside you as you pursue a higher level of education at a CAHME-accredited MHA program.

AT A GLANCE
The 44 credit-hour (plus required fieldwork) MHA program at Scranton prepares you for administrative positions in a variety of health-related organizations.

• Acquire academic knowledge, develop competencies and gain practical skills
• Engage in self-exploration, professional development and personal growth
• Learn to use and apply many health care management tools, principles, methods and strategies
• Provides a stimulating and highly interactive learning environment
• Integrates teaching, research and community service
• Embraces the traditions of Ignatian identity

CAHME accreditation
The MHA program is accredited by the Commission on Accreditation of Healthcare Management Education (CAHME). This accreditation reflects the commitment to and achievement of national standards for graduate level health care administration education.

GETTING RECOGNIZED
Results, Reputation & Accreditation
• Nationally recognized for excellence and student engagement.
• Full graduate membership with the Association of University Programs in Health Administration (AUPHA).
• Higher education student network with the American College of Healthcare Executives (ACHE) and the Medical Group Management Association (MGMA)
• Ranked #1 in the nation for full-time enrolled students in a list published by Modern Healthcare, a health care business weekly magazine.

ONE-TO-ONE LEARNING
Faculty Engagement

PERSONAL ATTENTION
• Learn from an incomparable faculty comprised of highly qualified professionals.
• Gain practical knowledge from faculty who bring significant work experiences to the classroom experience.
• Work alongside a faculty mentor who will assist with personal academic planning throughout the program.

CAREER PATHS
Careers for MHA graduates include administrative positions in health-related organizations including:

• Hospitals, ambulatory care settings, physician group practices, social service agencies, medical centers, clinics, long-term care facilities, managed care plans and rehabilitation centers

Alumni work in leadership and administrative positions that involve:

• Marketing, finance, strategic planning, management, community relations, information systems, internal operations and education

FILLING A GROWING NEED
The MHA program is oriented to the real world of hands-on health care administration. It is specifically designed to help students learn to use and apply many health care management tools, principles, techniques, theories, methods and strategies. The program challenges students with active learning to prepare for active careers in health care administration.

• Average salary of the class of 2017 is approximately $67,167.
• Employment rate for class of 2017 is 95%.

JESUIT VALUES
• Strong emphasis on ethics and social justice
• Corporate social responsibility
• Develop others to the full potential
• Emphasis on global perspectives
APPLY NOW

We welcome applications on a rolling basis for admission into the fall term only. To apply to the MHA program, or for additional application and admission information, please visit: scranton.edu/gradapply

INTERNATIONAL PROGRAM OF STUDY

The Global Health Management course allows students to appreciate social, cultural, historical, geographic, environmental, economic and political factors that influence health. Using a public health perspective, important global health topics are studied with a specific focus on determinants of health and illness, health status indicators, health policy, how health care services and systems are organized, structured, financed and delivered.

WHAT NEXT? HOW TO PROCEED FROM HERE

DO MORE

Graduate Assistantships

Graduate students have the opportunity to gain employment as teaching assistants, research assistants or graduate assistants. The assistantship enables the student to pursue a graduate education, strengthen the quality of their educational experience and helps the University develop the quality of its graduate programs. The student will be awarded a tuition scholarship as well as a stipend. More at: scranton.edu/ga
