More at: scranton.edu/hallcenter

PERSONAL ATTENTION
• Learn from an incomparable faculty comprised of skillful educators who pride themselves in their teaching, research and service.
• Gain practical knowledge from faculty who bring significant clinical work experiences to the classroom experience.
• Work with a faculty mentor who will assist with your personal academic planning throughout the program.

AT A GLANCE
• Exposure to faculty with a wide range of experience and expertise.
• Seeks to train counseling professionals who are self-reflective practitioners, competent caregivers, and community leaders.
• Prepares students for work in a variety of settings including state rehabilitation agencies, comprehensive rehabilitation centers, universities settings, private-for-profit rehabilitation and insurance companies, substance abuse rehabilitation programs, correctional centers, mental health clinics, veterans administration centers, special education/transition programs, independent living centers, and many more.

JESUIT VALUES
• Fosters academic, professional and personal development
• Focus on social justice, empowerment, advocacy and leadership
• Development of clients to their full potential
• Emphasis on appreciation of diversity

GETTING RECOGNIZED
Results, reputation & ethics drive our education.

ONE-TO-ONE LEARNING
Faculty Engagement

CACREP accreditation
The University of Scranton’s Rehabilitation Counseling Program is nationally accredited by the Council for Accreditation of Counseling and Related Educational Programs (CACREP), the accrediting body for the counseling profession.

Students graduating from our CACREP accredited program may take the National Certification Exam for Rehabilitation Counseling (CRC) and/or the National Counselor Exam (NCE) both of which are a step towards becoming a Licensed Professional Counselor in most states.
**OBJECTIVES INCLUDE:**

- enhance the knowledge of rehabilitation concepts and practices
- develop counseling skills necessary for functioning in rehabilitation settings
- increase awareness and sensitivity to disability issues
- prepare individuals for certification as rehabilitation counselors
- enhance individuals’ employability in entry-level or advanced clinical positions in rehabilitation settings

**ADMISSION**

Admission Criteria for Acceptance

Admission is based on a combination of four indicators: previous academic performance, three professional letters of recommendation, relevant professional experience and an interview.

**WHAT NEXT? HOW TO PROCEED FROM HERE**

**APPLY NOW**

The priority application deadline for all graduate counseling programs is November 15th with a regular application deadline of March 1st for admission into the following fall term. Applications received after the March 1st deadline may be considered at the Program Director’s discretion.

To apply to a counseling program or for additional application and admission information visit: scranton.edu/gradapply.

At $757 per credit, the tuition cost for our counseling programs is among the most competitive in PA and for regionally accredited universities.

**CONTACT THE PROGRAM DIRECTOR**

You are encouraged to contact the Program Director, Dr. Rebecca Spirito Dalgin, for information on the academic components of the counseling program. To contact Dr. Dalgin, please email rebecca.dalgin@scranton.edu or call 570.941.7819.

**SCHEDULE A VISIT**

Personal appointments with an Admissions representative are offered Monday through Friday and can provide insight to the application and admission process. Sign up online to register for your visit at: scranton.edu/gradvisit.

**PANUSKA COLLEGE OF PROFESSIONAL STUDIES**

Master of Science in Rehabilitation Counseling

**REHABILITATION >> MISSION STATEMENT**

The Rehabilitation Counseling program prepares students for careers in a variety of settings with the primary goal of acquiring and applying the specialized knowledge, skills, and values that will enable them to effectively assist and support individuals with disabilities throughout the rehabilitation process. The Rehabilitation program works towards this goal by creating an environment which encourages a commitment to lifelong learning, critical thinking, an understanding of community needs, resource development, creative problem solving, the development of a professional network, and appreciation of the skills and abilities of individuals with disabilities.
