The University of Scranton
PANUSKA COLLEGE OF PROFESSIONAL STUDIES

Master of Science in NURSING

REAL WORLD RESULTS

FAMILY NURSE PRACTITIONER:
Prepares nurses to assess, diagnose and treat common acute and chronic disorders, and to provide health promotion and disease prevention interventions and counseling in primary care settings.

AT A GLANCE

• Offers a distinct, nationally accredited master’s degree program in family nurse practitioner
• Students exposed to faculty with extensive professional nursing practice experience and expertise
• Faculty widely published and active in research and national nursing organizations
• High certification pass rate and employment following graduation
• Provides registered nurses with the knowledge and competencies necessary to become highly skilled, advanced practice nurses

PERSONAL ATTENTION

• Learn from an incomparable faculty comprised of skillful educators who pride themselves in their teaching, research and service.
• Gain practical knowledge from faculty who bring significant clinical work experiences to the classroom experience.
• Work alongside a faculty member who will assist with personal academic planning throughout the program.

WHY SCRANTON?
Excellence in academic and professional competencies. Jesuit values. Successful outcomes. You’ll find all of this – and more – when you choose The University of Scranton for your Master of Science in Nursing degree. Our dedicated faculty will work alongside you as you pursue a higher level of education through our nationally accredited programs.

JESUIT VALUES
• Fosters academic, professional and personal development
• Focus on social justice, empowerment, advocacy and leadership
• Development of clients to their full potential
• Emphasis on appreciation of diversity

ONE-TO-ONE LEARNING
Faculty Engagement
