Internship site supervisor mean ratings of students on program learning outcomes* measures (AY 2020-21). Ratings are on a scale from 1-6 (with an option for N/A):

PLO #1: Develop and demonstrate awareness and understanding of the developmental needs of individuals, families, groups, communities, and other supported human services organizations and functions at all developmental levels of care: 5.56 (N = 32)

PLO #2: Develop and demonstrate awareness of cultural diversity, disabilities, socio-economic trends, changing roles and lifestyle patterns of persons and the impact of these changes on clients: 5.72 (N = 32)

PLO #3: Develop and demonstrate awareness and understanding of the impact of the relationship between themselves and their clients through fostering trust, empathy, authenticity, and competence: 5.59 (N = 29)

PLO #4: Develop and demonstrate knowledge and skills in applying theoretical frameworks to human service and counseling practice: 5.45 (N = 28)

*Note: The CHS program has 12 PLOs, 4 of which are rated each year for a repeat cycle every 3 years.

Program attrition/retention rates

For the Class of 2016-2020, the retention rate was 67%. It is rare for our students not to complete the program in a timely and successful manner; however, on occasion during any given AY, students may take an extra semester or year (particularly non-traditional students), change their major, or withdraw for financial or other reasons. In addition, the COVID-19 pandemic affected retention rates in a significant way, as it did with our enrollment and graduation rates. We expect this percentage to rise back to its traditional values. It is important to note that the majority of our students typically do not begin as CHS majors, but transfer in from other majors or after being undecided.

Acceptance into higher degree programs (master’s, doctorate)

For the Class of 2020, twelve graduates reported attending higher degree programs. Note that others chose not complete the survey or not to pursue higher degrees, so these should not be construed as acceptance rates. Programs they are enrolled in include Professional Counseling (6/12), Social Work (4/12), Child Life and Family Care (1/12), and Business Administration (1/12). Additional information is available [here](#), and University-wide information for the class of 2020 is available [here](#).

Job placement, especially in human services-related occupations

For the Class of 2020, of those who responded and were not enrolled in higher degree programs, each were employed full-time in positions such as Behavioral Health Technician, Caseworker, Mental Health Counselor, and Admissions Specialist. Additional information is available [here](#).

CHS program advisory committee and further evaluation processes:

Summaries of available evaluative surveys and Student/Program Learning Outcome assessment are distributed at yearly advisory committee meetings and the CHS Program Director leads a follow-up discussion. Selected course syllabi are shared with the committee for input and course improvement suggestions. Outcome data related to other selected components of the program is addressed at each meeting (e.g., internship process, student evaluation process, employment outcomes, community-based learning, accreditation, etc.) so that we can obtain feedback and direction from members, which include faculty, current students, alumni, agency partners, and at-large members. Comprehensive minutes are taken at each advisory committee meeting.

Student Evaluation of the CHS Program (AY 2020-21):

A total of 35 CHS Majors and Minors completed the evaluation in May 2021. Based on a Likert-type scale (3 = Exceeds expectations, 2 = Meets expectations, 1 = Needs improvement, plus an option for “don’t know”), students rated several dimensions as well as the overall program. Highlights include:

Three Highest Ratings:

“Expertise of faculty” (2.96)

“Faculty commitment to students’ careers” (2.93)

“Program atmosphere” (2.89)

Three Lowest Ratings:

“Adequacy of CPS Advising Center” (2.41)

“Variety of courses available” (2.25)

“Convenience of class schedules” (2.18)

“Overall rating of the CHS Program” (2.86)
