RESEARCH EXPERIENCE AND AGENDA

Project Team Leader, Pennsylvania Counseling Association, April, 2015 – June 2017.

- Part of a team tasked with investigating the rates and trends of PA Licensed Professional Counselors (LPCs) being paneled by insurance companies.
- Assisted in developing a survey that went out to over 3000 counselors or counselor trainees in PA to glean information related to the issue, as well as data collection and analysis.
- Collaborated on Executive Summary development, and presented the project at a national conference.

Research Working Group Member, National Working Positive Coalition, January 2010 – present.

- Part of a team of researchers devoted to making improvements in work-related issues affecting persons living with HIV/AIDS through research.
- Assist in curriculum development for HIV/AIDS service providers sponsored by the Departments of Labor and Housing and Urban Development and NWPC.
- Collaborate on publications and presentations for several projects and programs.

Primary Investigator, University of Scranton, Department of Counseling and Human Services, Scranton, PA, April 2011 – October 2014.

- Researched, developed, coordinated recruitment, and implemented “*A vocational development group for men living with HIV/AIDS in suburban and small city areas.*”
- Collected and analyzed quantitative and qualitative data.
- Evaluated the program for effectiveness based on data being collected.
- Presented the project at professional conferences.
- Prepared and submitted a manuscript related to the project (in press).

Primary Investigator, Pennsylvania State University Department of Counselor Education, Counseling Psychology and Rehabilitation Services, University Park, PA, January 2008 – September 2008.

- Researched, developed, coordinated recruitment, and implemented “*An employment/career group program for rural and small town men with HIV/AIDS.*”
- Collected and analyzed quantitative and qualitative data.
- Evaluated the program for effectiveness based on data collected.
- Presented the project at professional conferences.

Research Assistant, Pennsylvania State University Department of Counselor Education, Counseling Psychology and Rehabilitation Services, University Park, PA, January 2007 – December 2009.

- Performed literature reviews, focus group coordination, survey item development, research team and staff training, and recruitment for a national project entitled, *National Working Positive Coalition – Vocational Training and Employment Survey [NWPC-VTES]*.
- Assist with qualitative and quantitative data collection and statistical analysis.
- Collaborate on publications and presentations for several projects and programs related to this study with over 2500 participants (concentrating on Latino male respondents).
