

CURRICULUM VITAE

Renée M. Hakim, PT, PhD, NCS
Department of Physical Therapy
University of Scranton

Education

TEMPLE UNIVERSITY, Philadelphia, PA
August 1997 - May 2001
Doctorate (Ph.D.) - Health Studies/Public Health

UNIVERSITY OF PITTSBURGH, Pittsburgh, PA
August 1992 - December 1994
Master of Science (M.S.) - Health and Rehabilitation Sciences
Focus - Neurological Physical Therapy

UNIVERSITY OF SCRANTON, Scranton, PA
August 1986 - May 1990
Bachelor of Science (B.S.) - Physical Therapy

Licensure Information

Pennsylvania, PT - 007045 - L

Certifications

Neurologic Clinical Specialist (NCS) by American Board of Physical Therapy
Specialties (ABPTS); May 1997, Re-certified May 2007, Emeritus status May 2017.

“Master Trainer” by nationally recognized, evidence-based *Matter of Balance (MOB)*
program developed at the Roybal Center at Boston University; Certified in Fall 2010.

Employment and Positions Held

Full-time Faculty Member, Department of Physical Therapy
University of Scranton, Scranton, PA (August 1996-present)

Professor	2011 - present
Associate Professor	2005 - 2011
Tenured	2001
Assistant Professor	1996 - 2005

Administrative Roles:

Assistant Academic Coordinator of Clinical Education 1996-2001
Program Director, Transition DPT Program, 2004-2013
Program Director, DPT Program (entry-level), 2014-present
Acting Chairperson, Department of Physical Therapy, Fall 2018-present

Volunteer Physical Therapist

Leahy Community Health and Family Center (LCHFC)
Faculty Director of student-run *pro bono* services, 2015-present
Direct care (Leahy Center), 2003 - 2007

Contract Physical Therapist

Viewmont Medical Services (VMS) Physical Therapy; part-time
Scranton, PA, 2001-2006
Rehab Works, Inc., HRC Manor Care, Davis Manor; per diem
Northeast PA 1996-2001

Home Health Physical Therapist

Aurora Borealis Home Health Care, Pittston, PA, 1996

Course Co-Coordinator and Instructor

PT 506 Clinical Science IV
College Misericordia, Dallas, PA
Spring 1996

Lab Assistant

PT 450 Therapeutic Exercise III
University of Scranton, Scranton, PA
Spring 1995

Rehab Team Leader/ Physical Therapist

Student Program Coordinator - Northeast Area
Nova Care, Inc., Region 1, Area 5, Luzerne County, PA
1994-1996

Teaching Assistant

Musculoskeletal Causes, Analysis and Interventions in Movement
University of Pittsburgh, Pittsburgh, PA
Fall 1993

Physical Therapist III/ Team Leader - Neuro/Trauma Team

University of Pittsburgh Medical Center (UPMC), Pittsburgh, PA
Balance and Vestibular Lab Physical Therapist (rotation)
Eye and Ear Institute of Pittsburgh at UPMC, Pittsburgh, PA
1991-1994

Staff Physical Therapist

Mercy Hospital, Scranton, PA
1990-1991

Peer-Reviewed Scientific and Professional Presentations

National / International

Hakim RM, Bishop B.

Haptic Devices to Improve Arm/Hand Function.

- Invited speakers at the Northeast Pennsylvania Innovation Conference - Smart Machines & Materials, Scranton, PA – August 15-16, 2019

Potter SE, Bishop B, Hakim RM.

Character Stroke Path Inference in a Rehabilitation Application

- Oral presentation (with paper published in proceedings) at the 5th International Conference on Health Informatics and Medical Systems, Las Vegas, NV, July 29 - August 1, 2019

Christensen J, McGowan M, McGraw L, Piening C, Hakim RM.

The Effect of Virtual Reality Training on Balance and Mobility in Adults with Moderate to Severe Traumatic Brain Injury: A Systematic Review

- Accepted for presentation at the 6th International Conference and Expo on Novel Physiotherapies and Physical Rehabilitation, London, UK, August 2019, poster format

James C, Frank D, Ziegler K, Kosik S, Rodio N, Hakim RM.

The Effect of Transcranial Direct Current Stimulation on Balance and Mobility in Children with Cerebral Palsy: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), Washington DC, January 2019; poster format

Hakim, RM, Fitzgerald C, Palladino E, Scully SJ.

Functional Outcomes of Patients with Orthopedic Diagnoses Receiving *Pro Bono* Physical Therapy Services in a Student-Run Clinic: A Retrospective Study

- Presented nationally at APTA Combined Sections Meeting (CSM), Washington DC, January 2019; poster format

Haldeman L, Jackowitz J, Oquendo A, Wells M, Hakim RM
The Effects Of Intramuscular FES on Objective Gait Measures in Adult Patients with Chronic Stroke: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), Washington DC, January 2019; poster format

Lavado BC, Ortlieb MK, Rohleder MR, Wagner BR, Hakim RM
Telerehabilitation Compared to Conventional Physical Therapy to Improve Physical Performance in Community-Dwelling Adults: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), New Orleans, LA, February 2018; poster format

Hakim RM, Dolphin DA, Martzen J, Moser J
A Student-Run Pro Bono Physical Therapy Clinic Incorporating Community-Based Learning: A Special Interest Report

- Presented nationally at APTA Combined Sections Meeting (CSM), New Orleans, LA, February 2018; poster format

Esterle B, Fluehr L, Liberatore C, McEnroe M, Hakim RM
The Effectiveness of Transcranial Direct Stimulation on Gait in Persons with Parkinson's Disease: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), New Orleans, LA, February 2018; poster format

Cranmer S, Mester M, Palladino E, Hakim RM.
Aquatic Therapy Compared with Conventional Land-Based Therapy to Improve Balance and Mobility in Persons with Parkinson's Disease: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), New Orleans, LA, February 2018; platform format

Connell W, Crowley A, Fitzgerald C, Marri S, Hakim RM.
The Effect of Augmented Reality Visual Cues on Temporal-Distance Gait Parameters in Individuals with Parkinson's Disease: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), New Orleans, LA, February 2018; poster format

Guenther K, Nachtman A, Scully SJ, Taylor M, Schwartz J, Hakim RM.
The Impact of Community-Based Rehabilitation Programs on Adults with Traumatic Brain Injury: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), New Orleans, LA, February 2018; poster format

Cominsky J, Joyce C, Leschen S, Raab M, Schwartz J, Hakim RM. The Effect of Rhythmic Auditory Stimulation on Gait Outcomes in Adults with Non-Progressive CNS Diagnoses: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), San Antonio, Tx, February 2017; poster format

Fahey T, Pasquarelli C, Lewis C, Donaldson M, Hakim RM. The Effect of Whole Body Vibration on Pain and Disability in Adults with Chronic Low Back Pain: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), San Antonio, Tx, February 2017; poster format

Sawyer D, Synan B, Gaeta M, Signoriello V, Hakim RM. A Systematic Review of Predisposing Biological and Mechanical Factors Related to Non-Specific Low Back Pain in Adolescents

- Presented nationally at APTA Combined Sections Meeting (CSM), San Antonio, Tx, February 2017; poster format

Arrow A, Martzen J, Montalbano M, Moser J, Tomlinson A, Hakim RM. The Effect of Virtual Reality Training on Balance, Gait and Mobility in Persons with Parkinson's Disease: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), San Antonio, Tx, February 2017; poster format

Page S, Hunsicker K, Reale N, Townsend K, Hakim RM. Methods to Promote Exercise Adherence in Adults with Multiple Sclerosis: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), Anaheim, CA, February 2016; poster format

Cipriano B, Fleage PE, Nguyen V, Studwell A, Hakim RM. Effects of Dual Task Training On Balance And Mobility In Persons With Parkinson's Disease: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), Anaheim, CA, February 2016; poster format

Balcon M, Forsberg E, Mossler E, Shackles J, Schwartz J, Hakim RM. Functional Electrical Stimulation in Combination with Treadmill Training to Improve Gait in Adults with Stroke: A Systematic Review

- Presented nationally at APTA Combined Sections Meeting (CSM), Anaheim, CA, February 2016; poster format

Bezner J, Hakim RM, Pease B, Ross M. Transforming Practice: Prevention, Health, and Wellness Programs.

- Presented nationally at APTA National Combined Sections Meeting (CSM), Indianapolis, IN, February 2015; educational session (2 hours) format.

Hakim RM, Hutchings BL, Runco W, Kane M, Ross M. The Impact of a Community-Based Aquatic Exercise Program on Physical Performance in Community-Dwelling Adults with Mild to Moderate Intellectual Disability.

- Presented nationally at APTA National Combined Sections Meeting (CSM), Indianapolis, IN, February 2015; platform format

Mellody T, Hakim RM, Gildea MK, Gregowicz C, Liccione T, Schrecengost N. “A Training Program Combining Large Amplitude Movements and Forced Exercise (FE) Cycling to Improve Balance and Mobility in a Community-Dwelling Older Adult with Parkinson’s Disease: A Case Report”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Indianapolis, IN, February 2015; poster format

Mellody T, Hakim RM, Gildea MK, Gregowicz C, Liccione T, Schrecengost N. “A Training Program Combining Large Amplitude Movements and Forced Exercise (FE) Cycling to Improve Balance and Mobility in a Community-Dwelling Adult with Early Onset Parkinson’s Disease: A Case Report”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Indianapolis, IN, February 2015; poster format

Saverino MC, McAllister KM, Corker TR, Sakar BR, Hakim RM. “A Systematic Review of the Effects of High Intensity Treadmill Training on Balance and Mobility in Adults with Parkinson’s Disease”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Indianapolis, IN, February 2015; poster format

Afshari CD, Bencivengo AM, Morris BT, Page JA, Hakim RM. “The use of virtual reality integrated robotics to improve upper extremity function in patients with chronic stroke: A systematic review”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Indianapolis, IN, February 2015; poster format

Kopack J, Malone AM, Salvo CJ, Sofia MJ, Hakim RM. “A Systematic Review on the Effect of Split-Belt Treadmill Training (SBTT) in Patients with Hemiplegic Gait”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Las Vegas NV, February 2014; poster format

Blecher K, Rothchild J, Stefani A, Hakim RM. “A Systematic Review of the Effectiveness of the Nintendo Wii Fit as an Intervention for Balance Training in Community-Dwelling Older Adults”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Las Vegas NV, February 2014; poster format

Fluehr C, Insixiengmay T, Marley C, Tansits M, Hakim RM. “A Systematic Review of Community-Based Fall Prevention Programs to Reduce Falls in Non-Institutionalized Older Adults”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Las Vegas NV, February 2014; poster format

Frey C, Spadoni K, Hakim, RM. “Assessing Fall Risk Using Clinical Balance Measures In Persons With Lower Extremity Amputations”

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego, CA, January 2013; poster format

Hakim RM, Hindman J, Horne M, Kyle K. “Case Report: Use Of The Xbox 360 Kinect Gaming System To Improve Balance In A Community-Dwelling Adult With A History Of Recurrent Cerebellar Meningioma”

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego, CA, January 2013; poster format

Gildea MK, Gregowicz C, Liccione T, Schrecengost N, Hakim RM. “The Effects of External Cueing as a Strategy to Improve Outcomes of Balance and Gait in the Rehabilitation of Patient’s with Parkinson’s Disease: A Systematic Review”

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego, CA, January 2013; poster format

Dorsett K, Hickey E, Hoffman H, Maggipinto A, Moore C, Hakim RM. “A Systematic Review Of The Effectiveness Of Virtual Reality Analgesia In The Pediatric Burn Population During Physical Therapy”

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego, CA, January 2013; poster format

DeMark L, Hakim RM. “Case Report: A Computerized Visual-Feedback Force Plate System Program Combined with Task-Oriented Physical Therapy to Improve Balance and Mobility in an Adult With Spinocerebellar Ataxia”

- Presented nationally at the Conference & Exposition of the APTA, Tampa, FL, June 2012; poster format

Hakim RM, Balent A, Keyasko M, McGlynn D. “Use Of The Nintendo Wii Gaming System To Improve Balance In A Community-Dwelling Older Adult With Peripheral Neuropathy And A History Of Recurrent Near Falls: A Case Report”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Chicago, IL, February 2012; poster format

Densevich A, Gamrat J, Niznick A, Salerno M, Hakim RM. “A Systematic Review of the Effectiveness of the Nintendo Wii Gaming System to Improve Balance in Older Adults”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Chicago, IL, February 2012; poster format.

Kyle K, Horne M, Hindman J, Hakim RM. “A Systematic Review of the Effectiveness of Virtual Reality-Based Rehabilitation to Improve Gait in Patients Post Stroke”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Chicago, IL, February 2012; poster format.

Bellomo H, Frey C, Kreshock A, Spadoni K, Hakim RM. “A Systematic Review To Select the Most Appropriate Outcome Measures for the Assessment of Balance and Mobility in Patients with Lower Extremity Amputation”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Chicago, IL, February 2012; poster format.

Hakim RM, Haladay DE, Beskal J, Shipe D. “Use of a Computerized Dynamic Posturography (CDP) System to Improve Balance in an Adult with Multisensory Dysequilibrium and a History of Recurrent Near Falls: A Case Report.”

- Presented nationally at APTA National Combined Sections Meeting (CSM), New Orleans, LA, February 2011; poster format.

Balent A, Keyasko M, McGlynn D, Hakim RM. “A Systematic Review of the Effectiveness of Virtual Reality-Based Rehabilitation to Improve Standing Balance in Adults.”

- Presented nationally at APTA National Combined Sections Meeting (CSM), New Orleans, LA, February 2011; poster format.

Hakim RM, DeMark L, Guobadia E. “Case Report: A Computerized Dynamic Posturography Program Performed in Sitting to Improve Balance and Mobility in an Adult with Severe Chronic Cerebellar Stroke.”

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego, CA, February 2010; poster format.

Leininger PM, Hakim RM, Newton RA. “Hatha Yoga Improves Ability to Rise from the Floor in Community Dwelling Older Adult Women.”

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego, CA, February 2010; poster format.

Hakim RM. “A Model for Fall Risk Reduction in Community-Dwelling Older Adults Using Social Cognitive Theory.”

- Presented internationally at International Association of Gerontology & Geriatrics (IAGG) - Paris, FR, July 2009; poster format.

Hakim R, Leininger P, Collins T. “Outcomes of a Modified Constraint Induced Movement Therapy (mCIMT) Program with One Year Booster Training for Adults with Chronic Stroke.”

- Presented nationally at APTA National Combined Sections Meeting (CSM), Las Vegas, NV, February 2009; poster format.

Leininger PM, Hakim RM, Wagner BR. "Comparison of a Clinical Balance Test to a Computerized Balance Testing System When Assessing Balance Ability in Healthy Community-Dwelling Older Adult Women."

- Presented nationally at APTA National Combined Sections Meeting (CSM), Las Vegas, NV, February 2009; poster format.

Hakim RM, Sanko J, Leininger PM. "Case Report: Use of a Computerized Dynamic Posturography System to Improve Balance in an Adult with Brainstem Stroke."

- Accepted for presentation internationally at 6th World Stroke Congress, Vienna, Austria, September 2008.

Hakim RM, Davies L, Jaworski K, Tufano N, Unterstein A. "Case Report: A Computerized Balance Training Program to Reduce Fall Risk in a Community Dwelling Older Adult with Chronic Stroke."

- Presented nationally at APTA National Combined Sections Meeting (CSM), Nashville, TN, February 2008; poster format.

Collins T, Corsetti M, L'Heureux A, McGeehan E, Hakim RM. "Using a Computerized Balance Training System to Improve Static and Dynamic Balance in an Individual with Multiple System Impairments: A Case Report."

- Presented nationally at APTA National Combined Sections Meeting (CSM), Nashville, TN, February 2008; poster format.

Fetherman D, Hakim RM, Sanko J. "The Effectiveness of a Strength Training Program for Community-Dwelling older Women using the Transtheoretical Model of Behavioral Change."

- Presented nationally at Art and Science of Health Promotion Conference, San Diego, CA, March 2008; poster format.

Hakim RM, O'Brien A, Dooley J, Runco W. "A Bad Ragaz Ring Method aquatic program to improve balance-related measures for community-dwelling older adults with arthritis."

- Presented nationally at APTA National Combined Sections Meeting (CSM), Boston, MA, February 2007; platform format.

Hakim RM, Driscoll E, Ricci J, Szasz T. "Case Report: A modified constraint induced movement therapy program for the upper extremity of a community-dwelling male with severe chronic hemiplegia".

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego CA, February 2006; poster format.

Cissel E, Cours J, Teel S, Hakim R. "A cross-sectional study of balance-related measures with older adults who participate in tai chi, yoga, or no exercise."

- Presented nationally at APTA National Combined Sections Meeting (CSM), San Diego, CA, February 2006; poster format.

Hakim RM, Bores C, Cooper J. "A Comparison of Wearing Footwear vs. Bare Feet on Performance of the Berg Balance Scale and the Functional Reach Test in Community-Dwelling Older Adults."

- Presented nationally at APTA National Combined Sections Meeting (CSM), New Orleans, LA, February 2005; poster format.

Knueven L, Collins J, Jamieson J, Hakim R, Sensbach K. "Case Report: Effects of Hippotherapy on Balance and Functional Performance in a Child with a Neurological Disorder."

- Presented nationally at APTA National Combined Sections Meeting (CSM), New Orleans, LA, February 2005; poster format.

Roginski A, Walker J, Hakim RM. "A Comparison of Fall Risk Education Methods for Community-Dwelling Older Adults."

- Presented nationally at APTA National Combined Sections Meeting (CSM), Nashville, TN, February 2004; poster format.

Leininger P, Hakim RM, Spencer J, Wagner BR. "A Comparison of Balance Abilities of Healthy Active Community-Dwelling Older Adults Trained and Not Trained in Yoga."

- Presented nationally at APTA Annual Conference, Washington, DC, June 2003; poster format.

Leininger P, Hakim RM, Spencer J, Wagner BR. "The Need for Appropriate Balance Tests when Assessing the Effects of Yoga Training on Balance Abilities in Healthy Active Community-Dwelling Older Adults."

- Presented at the 50th annual American College of Sports Medicine (ACSM), San Francisco, CA, May 2003; poster format.

Hakim RM, Wagner BR. "Social Involvement and Quality of Life Status of Wheelchair Athletes with Spinal Cord Injuries."

- Presented nationally at APTA Combined Sections Meeting, Tampa, FL, February 2003, poster format.

Kelly S, Hakim RM, Healy B, Krempasky J, Moore S. "Forced-Use of the Upper Extremity in a Person with Chronic Stroke: An Assessment of Treatment Time and Quality of Movement."

- Presented nationally at APTA Combined Sections Meeting, Tampa, FL, February 2003, poster format.

Balzano JM, Burke JL, Hoy TW, Roberts EM, Hakim RM. "A Comparative Study of Balance Measures Among Elderly Persons Participating in Tai Chi or Structured Exercise Programs."

- Presented nationally at APTA Combined Sections Meeting, Tampa, FL, February 2003, poster format.

- Presented nationally at APTA Combined Sections Meeting, Seattle, WA, February 1999, poster format.

Hakim RM. "Factors Associated with Falls of Geriatric Residents in a Skilled Nursing Facility."

- Presented nationally at APTA Combined Sections Meeting, Atlanta, Georgia, February 1996; poster format.

Hakim RM, Delitto A, Perry SB, Borello-France D. "The Effect of Isokinetic Training on Temporal-Distance Gait Variables of Persons with Hemiplegia".

- Presented internationally at the World Confederation of Physical Therapy Congress, Washington, D.C. June 1995; poster format.

Hakim RM, Gruen GS, Delitto A. "Outcomes of Patients Following Multiple Trauma with Unstable Pelvic Ring Fractures Managed by Open Reduction with Internal Fixation".

- Presented nationally at APTA Combined Sections Meeting, New Orleans, LA, February 1993; poster format.

Funded/In Review Grant Activity

The Initiative for Creative Endeavors (ICE) Grant for \$4,000 - Hakim RM, Ross M, Zhang X. "Virtual Reality Enhanced Rehabilitation Robotics to Train Grasp and Manipulation in Patients with Orthopedic Disorders of the Wrist and Hand"; Awarded in Spring 2014.

University of Scranton Internal Research Fund (IRF) Grant awarded for \$3,000 - Hakim RM, Ross M. "A Robotic and Virtual Reality Assisted Rehabilitation Device for Patients with Orthopedic Disorders of the Upper Extremity"; Awarded in Spring 2014.

Marywood University/University of Scranton Cooperative Grant Program award for \$8,929.51 - Hakim RM, Hutchings BL, Runco W, Ross MD, Kane MT. “A Community-Based Aquatic Exercise Program to Improve Endurance, Mobility, Self-Esteem and Health-Related Quality of Life (HRQOL) in Community-Dwelling Adults with Mild to Moderate Intellectual Disability (ID)”;

University of Scranton Teaching Enhancement Grant for \$1,783.38 - Hakim RM; Provided materials to enhance laboratory experiences for physical therapy (PT) students in the area of task-specific testing and training for patients with neurologic dysfunction; Awarded in Fall 2012.

University of Scranton Information Literacy Stipend for \$1,000 – Hakim RM; Journal Club project integrating evidence into clinical practice in PT 712 Neurologic PT II; Library Advisory Committee; Fall 2010.

University of Scranton Internal Grant awarded for \$2,000 - Hakim RM; “The Impact of a community-based fall prevention intervention, *A Matter of Balance (MOB)*, using a volunteer lay leader model”; Office of Research Services (ORS); Awarded in Spring 2010.

University of Scranton Web-Based Course Development Grant awarded for \$3,000 - Hakim RM; PT 556T Motor Control/Motor Learning; Spring 2006 - Internal Grant: Center for Teaching and Learning Excellence (CTLE).

Leahy Center Grant awarded for \$10,000 - Hakim RM, Leininger P, Collins T. “A Modified Constraint-Induced Movement Therapy (CIMT) Program for Individuals with Chronic Stroke”; 2003-2004 - Edward R. Leahy, Jr. Center for Faculty Research.

University of Scranton Web-Based Course Development Grant awarded for \$2,000 - Hakim RM; PT 751T Evidence-Based Practice; Spring 2004 - Internal Grant: Center for Teaching and Learning Excellence (CTLE).

University of Scranton Internal Grant awarded for \$1500 - “A Fall Risk Reduction Intervention for Community-Dwelling Older Adults”, Hakim RM, Segal J, Newton R, DuCette J; Dissertation research; Fall 2000 - Office of Instructional Development (OID).

University of Scranton Internal Grant awarded for \$1,383.77 - “Social Involvement and Quality of Life Status of Wheelchair Athletes with Spinal Cord Injuries”, Hakim RM, Wagner B; Spring 1999 - Office of Instructional Development (OID).

Current/Active Research Activity

Implementation/Data Collection:

- Hakim RM. “Virtual Reality Enhanced Haptic Robotics to Train Grasp and Manipulation in Patients with Orthopedic Disorders of the Wrist and Hand”
- Systematic Reviews: faculty-directed student groups

Data Analysis:

- Systematic reviews: faculty-directed student groups

Manuscript Preparation:

- Hakim RM, Dolphin DA, Martzen J, Moser J. A Student-Run Pro Bono Physical Therapy Clinic Incorporating Community-Based Learning: A Special Interest Report

Manuscript Under Review:

- Frey C, Spadoni K, Hakim, RM. “Assessing Fall Risk Using Clinical Balance Measures in Persons with Lower Extremity Amputations”

Membership in Scientific/Professional Organizations

American Physical Therapy Association (APTA) 1990-present

Section member: Neurology, Education, Geriatric, Research

- Nominating Committee of Balance & Falls Special Interest Group (SIG) 2009 - 2012
- Secretary of Stroke Special Interest Group (SIG) 1999 - 2002
- PPTA Northeast District Continuing Education Co-Chair; 1996 - 1998

American Association of University Professors (AAUP) 1996-present

Consultative and Advisory Positions Held / Community Service

Independent Reviewer for Wellness Grants; Individual Abilities in Motion (“I AM”); Spring 2019-present

Advisory Committee for Senior Companions Program / Telespond Senior Services, Inc.; 1999 – present

Board of Directors for Telespond Senior Services, Inc.; 2000 - 2003

Prime Time Health Task Force for Lackawanna Geriatric Health Care Center; Fall 2000 – 2003

Service to the University

University-wide

Faculty Research Committee (Review of internal grant, sabbatical and patent applications); Fall 2013 – present

Faculty Senate, Fall 2017 – present, Fall 1999 - Spring 2001; Senate Budget & Planning Committee; Fall 1999 - Spring 2001

Doctor of Business Administration (DBA) Oversight Committee, Kania School Of Management, Spring 2019 - present

Board on Rank and Tenure; 2015/2016, 2014/2015, 2011/2012, 2008/2009, 2007/2008

Faculty Mentor/Mentee Program (Center for Teaching and Learning Excellence): 2015/2016, 2014/2015, 2010/2011, 2009/2010

Honors Thesis Reader: Post-Concussion Case Study with a Focus on Aerobic and Vestibular Eye Therapy by Theresa Webster (Pre-Med Major); 2016-2017

Honors Thesis Reader: Effects of Balance and Progressive Strengthening Exercises and Motivational Implementation on Mobility, Fall Risk, Self-Efficacy and Exercise Adherence in Older Adults by Julianne M. Nielsen (Nursing Major); 2013-2014

Faculty Student Research Program (FSRP); Fall 2000 - present

Committee on Program Directors; Led by Dr. Joseph Driesbach, Acting Associate Provost; Spring 2010 – Spring 2011

Task Force on On-line and Web-based Courses and Programs; Led by Dr. Steven Jones, Associate Provost for Civic Engagement and Academic Mission; Spring 2010

Honors Program Faculty Advisor; 1999 - 2000, 2000 – 2001, 2013-2014

Honors Program Council; 2001 - 2004

Middle States Periodic Review Report: Programs, Library, & Learning Resources Subcommittee; Spring 2002

Affirmative Action Committee; 1999 - 2001

Gavigan College Faculty Associate; 1999 - 2000

College/School

Chair, Occupational & Physical Therapy Department Review Board (OT/PT DRB); Fall 2004 – present; DRB member 1996-present

PCPS Community-Based Learning Committee, Fall 2016-present
