PANUSKA COLLEGE OF PROFESSIONAL STUDIES

Department of Counseling and Human Services - Two tenure-track Assistant Professor positions.

- One position is for a counselor educator with clinical mental health counseling expertise. The position requires teaching in the CACREP/CORE accredited graduate programs and also in the undergraduate program, research and publication, clinical supervision of master's level counseling students, and student advisement/mentoring. Individuals with experience teaching CACREP and/or Clinical Mental Health Counseling (CMHC) core and clinical courses are particularly encouraged to apply.

- The second position is for a counselor educator with counseling and/or human service expertise. The position requires teaching in the CSHE accredited undergraduate program, and also teaching core courses at the graduate level, including supervision of counselors in training, research and publication, and student advisement/mentoring. Individuals who possess experience teaching core undergraduate counseling/human services courses are particularly encouraged to apply.

Both positions require an earned doctorate in Counselor Education or a closely-related field. ABD with completion by August 2015 will be considered (Instructor rank). Preferred qualifications are: doctorate from a CACREP-accredited program; possession of, or eligibility for, PT licensure in Pennsylvania. Also required: a minimum of three years of teaching experience at the rank of instructor with the completion of the doctorate within twelve (12) months of appointment. Also required: a minimum of three years of teaching experience in an academic and/or clinical setting; evidence of research productivity and previous undergraduate teaching experience. The successful candidate is expected to maintain a productive research agenda in addition to teaching responsibilities and service to the University, local, and professional communities. Rank and salary commensurate with qualifications.

Department of Nursing

Tenure-track appointment beginning in August 2015. The area of specialization is open but candidates must be able to teach in one or more of the programs which include: baccalaureate degree, family nurse practitioner, nurse anesthesia, and adult-gastroenterology clinical nurse specialist masters’ degree, and a new doctorate of nursing practice that will be delivered in an executive model format. Desired qualifications include a research doctorate in nursing or related field, national certification in advanced practice nursing, and experience in teaching at the graduate level, informatics or management programs. Consideration will be given to applicants with a completed research doctorate degree in nursing by August 1, 2015. Rank and salary commensurate with qualifications. Applicants must be eligible for or currently hold licensure to practice nursing in Pennsylvania. Application review begins February 1, 2015 and continues until position is filled.

Department of Occupational Therapy

Tenure-track, open rank position. Position begins August 2015 in an accredited 5 year Master of Science in Occupational Therapy program. The successful candidate will demonstrate an area of clinical expertise, the ability to facilitate faculty mentored student research, and a record of teaching effectiveness. Leadership opportunities are available for candidates with strong qualifications. The candidate must be eligible for licensure as an Occupational Therapist in Pennsylvania. Applicants should have an earned, non-clinical doctorate in occupational therapy or a related field, those with a completed doctoral degree by August 1, 2015 will be considered.

Department of Physical Therapy

Tenure-track, open rank position. The primary responsibility is in the Human Gross Anatomy Laboratory. Responsibilities include performing cadaver prosections to support instructional design, delivery and student learning. Additional needs in teaching include musculoskeletal and neuroanatomy related courses. Qualifications include an earned academic doctorate in Anatomy or a closely related discipline and a background in kinesiology, neuroscience, or biomechanics will be beneficial. ABDs will be considered at the rank of Instructor with the completion of the doctorate within twelve (12) months of appointment. Also required: a minimum of three years of teaching experience in an academic and/or clinical setting; a record of scholarly achievement and eligibility for PT licensure in Pennsylvania (if physical therapist). Review of applications will begin on November 1, 2014 and continue until the position is filled.

KANIA SCHOOL OF MANAGEMENT

Department of Management, Marketing & Entrepreneurship

Two tenure-track positions at the rank of Assistant or Associate Professor. Candidates in all areas of marketing are welcome but expertise in the areas of marketing management, marketing research, sustainability and sports marketing are of particular interest. Candidates must be qualified to teach at the undergraduate and graduate levels, demonstrate scholarly research activities which meet AACSB-related criteria, and be committed to service at university, profession and community. Qualifications include an appropriate earned doctorate in Marketing or ABD (appointment at Instructor rank) with completion expected within 18 months of appointment from an AACSB-accredited doctoral program. The Kania School is AACSB-accredited at both the undergraduate and graduate levels.
