

**Undergraduate Health Administration**

<b>1) Institutional Learning Outcome</b>	<b>2) Program Student Learning Outcome</b>	<b>3) Artifact(s) used to assess PLO (e.g. paper, project, exam, presentation, etc.)</b>	<b>4) Assessment Instrument(s) used to assess artifact(s) (e.g. rubric)</b>	<b>5) Benchmark(s)</b>	<b>6) Findings</b>	<b>7)Planned use of the results</b>
Students will demonstrate competence in their chosen field of study, using the knowledge and ability to address the most significant questions, and advancing towards positions of leadership.	Graduates can demonstrate that they are prepared for an entry level position in the field of health administration. This entry level position can be at the management level and cross over into other industries. Students are prepared to enter the healthcare workforce or directly enroll in graduate school after graduation.	Employment or Graduate School Placement Rate  HAD 441 Course Grade	Survey  Course Grade	90% of students will enter the workforce or enroll in graduate school.  100% of students will complete the course with a grade of "B" or better.	2016 program results show that 95% of students entered the workforce or enrolled in graduate school.  100% of students completed the course with a grade of "B" or better.	Monitor results on an annual basis to determine if students are entering the workforce and adjust course requirements and assignments if necessary.
Students will employ their knowledge and intellect to address situations in a way that demonstrates a	Consistent with Jesuit values, graduates advocate for health care policies that comply with ethical principles and address health	HADM 111 Course Grade	Course Grade	100% of students will earn a grade of "B-" or better.	85% of students completed the course	If students continually fall behind benchmark (less than 70% achieve a B- or better, then the requirements and teaching methods would be reviewed.

devotion to the spiritual and corporal welfare of other human beings and by a special commitment to the pursuit of social justice and the common good of the entire human community.	disparities and vulnerable populations.
