

PHYSICS Year 3

Outcome

1. Identify the PLO your program assessed this academic year.

An ability to produce and defend a thesis, based upon an original or continuing research project by the end of the physics program

Process

2. Identify the artifact(s) (i.e. student work) that you used to assess the PLO. [Papers, presentations, portfolios, test items, specific assignments, capstone work]

Written report and Oral report

3. Identify the tools (e.g. rubrics, surveys, performance on standardized test questions) used to assess the artifact(s) (i.e. student work).

A rubric was used to assess the work

Findings

4. Explain the results of the assessment activities.

There was only 1 student, and they did fine. A score of 86% indicated that the PLO was met.

5. Where applicable, outline the steps you will take to make improvements to the program based on the results of assessment activities identified in #3.

No areas were uncovered that need improvement.

6. Are there any new resources needed to make program improvements? If so, please include the resources and provide justification for each in the Budget section of the Annual Report.

None.
