## Faculty Scholarly Achievements 2009-2010

### PSYCHOLOGY
- Brad Alford.................................................................-23-
- Bryan Burnham..............................................................-23-
- J. Timothy Cannon........................................................-23-
- Thomas Hogan...............................................................-23-
- Barry Kuhle...................................................................-24-
- Jessica Nolan.................................................................-24-
- John Norcross.................................................................-24-
- Carole Slotterback..........................................................-26-

### SOCIOLOGY & CRIMINAL JUSTICE
- Thomas Baker..................................................................-26-
- Harry Dammer .................................................................-28-
- David Friedrichs ..............................................................-28-
- Michael Jenkins ...............................................................-29-
- Meghan Rich .................................................................-29-
- James Roberts .................................................................-29-

### THEOLOGY & RELIGIOUS STUDIES
- James Brian Benestad......................................................-30-
- Will Cohen ....................................................................-31-
- Daniel Darko .................................................................-31-
- Brigid Curtin Frein .........................................................-31-
- Christian Krokus ............................................................-31-
- Susan Mathews ...............................................................-31-
- Cyrus Olsen .................................................................-32-
- Charles Pinches ..............................................................-32-
- Marc Shapiro .................................................................-32-

### WORLD LANGUAGES & CULTURES
- Marzia Caporale .............................................................-32-
- Linda Ledford-Miller .......................................................-33-
- Virginia Picchietti ..........................................................-33-
- Yamile Silva .................................................................-33-
- Jamie Trinka .................................................................-34-
- Joseph Wilson ...............................................................-34-
- El-Habib Zanzana .........................................................-34-

### II. KANIA SCHOOL OF MANAGEMENT

#### ACCOUNTING
- Douglas Boyle ...............................................................-35-
- Ronald Grambo .............................................................-35-
- Roxanne Johnson...........................................................-35-
- Robyn Lawrence ...........................................................-35-

#### BUSINESS LEADERSHIP
- Robert McKeage ............................................................-35-

#### ECONOMICS & FINANCE
- Sarmila Ghosh ...............................................................-36-
- Satyajit Ghosh ...............................................................-36-
Faculty Scholarly Achievements 2009-2010
