

**REQUEST FOR CREDIT/CREDIT DEFICIENCY/NO CREDIT
OR
SATISFACTORY/UNSATISFACTORY GRADING OPTION:**

Summer 2020/Special Summer 2020

Royal ID	Name				
Term Regular Summer Special Summer	College CAS KSOM PCPS	Class 1 2 3 4 Graduate			
Major/Specialization	Minor		Concentration		

Factors to consider before electing Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grading:

- Credit Satisfactory, Credit Deficiency, and Satisfactory grades count toward the accumulated credit hours for the degree, but they are not included in a student's grade point average calculation.
- If you are repeating a course and choose the CS/CD/NS or S/U grading option, the CS/CD/NC or S/U will replace the former grade earned.
- Graduate/professional schools such as medical, dental, law, and doctoral programs typically do not accept courses graded on the Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grading scale.
- Students who receive Veterans benefits may not be able to elect Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grading. Please contact your benefits coordinator.
- Students in the ROTC program should consult with their program director before electing Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grading.
- The Financial Aid Office should be consulted if there are concerns with making satisfactory academic progress or if merit scholarship(s) require a minimum GPA or graded credit hours.
- Students who receive employer reimbursement for completed coursework should consult with their employer about permissible grades.
- A course taken with a Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grade will likely be ineligible to transfer to another institution.
- High School dual-enrollment students may not be allowed to apply courses graded on the Credit Satisfactory/Credit Deficiency/No Credit grading scale to their high school program.

I have reviewed the aforementioned considerations and elect Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grading, as applicable, on the following Summer/Special Summer 2020 courses. I understand that once chosen and processed, the Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grading option cannot be reversed in anticipation of a high letter grade; conversely, the likelihood of a low letter grade is not grounds for a belated request for a Credit Satisfactory/Credit Deficiency/No Credit or Satisfactory/Unsatisfactory grade.
