Weinberg Memorial Library Tactical Plan Goals in support of
The University of Scranton Strategic Plan 2020: Our Community, Our Core, Our Commitments

Since the October 5, 2020 announcement of the approval of the University’s 2020 Strategic Plan by the Board of Trustees, the Library faculty and administration have met several times to review the plan and to draft a tactical plan. The Library’s tactical plan is a living document that outlines ways for the Library to support the goals of the University’s Strategic Plan.

The following document, last updated on 6/21/2021, outlines the goals of the tactical plan. Detailed objectives for each Library Goal are available upon request.

University Strategic Plan Goal 1. Ensure that the Scranton student experience is transformational, integrated and grounded in the humanities as a pathway to understanding the human experience in its many dimensions.

   Library Goal 1.A: Continue to develop ways to cooperate with the Humanities Initiative to utilize primary sources and special collections for student research and scholarship.

   Library Goal 1.B: Explore new and sustainable ways to support teaching and learning in the digital humanities.

   Library Goal 1.C: Expand collaboration with the Jesuit Center.

   Library Goal 1.D: Pursue opportunities to integrate the Information Literacy Program into the General Education review and potential revision.

   Library Goal 1.E: Enrich the value of the Library’s cataloging and metadata through catalog enhancement, in order to improve findability and simplify access.

   Library Goal 1.F: Increase student involvement in Library programs and events.

   Library Goal 1.G: Formalize the Library’s role in the proposal of new academic programs.

University Strategic Plan Goal 2. Engage students as individuals through personal attention that helps them explore their faith, discern their purpose and pursue their passion, as they work to create a more just and sustainable world.

   Library Goal 2.A: Continue to support and promote student scholarship.

   Library Goal 2.B: Continue to support and promote student engagement with Library resources and services.

   Library Goal 2.C: Continue sustainability initiatives and programming.

   Library Goal 2.D: Continue to assess student learning and the Library’s distinct educational role in developing students’ research abilities and dispositions.
