Class of 1991,

Can you believe it? It's been twenty years since we left Scranton! As you may have already heard, June 10 – 12, 2011, is the twenty year reunion. I am hoping you can join me and your fellow classmates in celebrating this milestone! The reunion committee is already working to make this a special occasion for everyone and just wanted to touch base with all of you.

We have created a Facebook page and in just under a week we already have more than 100 members! This will be a key resource in keeping everyone updated and would ask that you help to spread the word by inviting fellow classmates. We will be posting updates about the reunion as well as other alumni related events. We are also looking to you to post pictures from our years at Scranton (and recent ones should you wish) to remind us about all the fun times we had!

You should have received basic information about the reunion in the mail and in *The Scranton Journal* - you'll get more details as we get closer to the date. If you have friends who have missed out on the information, please have them call 1-800-SCRANTON to verify their address. We wouldn't want anyone to miss out!

You can view a tentative schedule of events and see who has already registered (and register yourself) by going to [www.scranton.edu/reunion](http://www.scranton.edu/reunion). You can also join us on Facebook by going to the University of Scranton Class of 1991 20th Reunion Page.

We are working hard to make this a special event for everyone and hope you will be able to join us! If you would like to assist in the preparation of this event via the Class Committee please let us know! If you are interested in volunteering please feel free to shoot me an e-mail at [scmalosh@me.com](mailto:scmalosh@me.com).
