We, the members of the Class of 1984 Reunion Committee, invite you to step back in time with us by returning to Scranton for our 25th Reunion this June. Can it be possible that we graduated 25 years ago? It seems like only yesterday we were celebrating our Graduation in the Long Center.

How often do we have the opportunity to step back in time — to remember who we were, what we did and what we learned during our four years at Scranton? We all had different college experiences- but we are confident that there are many common threads -"traying " or "sunning" on Nevils Beach, Scanlan's (with perhaps a stop at Halfway House), midnight pizza from Granteed's, Gannograms, and yes, late nights at the library or for some late night gravy fries at Chick's Diner.

*"The hours too quickly slip away and mingle into years, but memories of our Scranton days will last whatever next appears"*

SCRANTON ALMA MATER

Since our Graduation, the University has changed in many ways. The campus now has many new buildings, including a library, campus center, modern townhouses and plans to construct a state of the art science center. While students occupy new buildings and hangouts, the sense of community that made our time at Scranton so special is still strong. For this reason, we hope you will also consider making a gift to Scranton to support the future alumni of our alma mater.

Most importantly, we hope this Reunion will inspire you to reunite with friends whom you don't see often enough and those you haven't seen in 25 years. So, for one weekend we can all rediscover Scranton together.

*Questions? Call or e-mail any of us. Hope to see you in June!*
