YOUR REUNION
Reconnect Return Remember

JUNE 12-14, 2009

Dear <First>,

CLASS OF 1994 COMMITTEE

The time is May 1994, the location is The University of Scranton, the memory is college graduation...do you remember your feelings upon receiving that oversized diploma? Were you looking ahead to your future? Were you remembering good memories of your past four years? Were you simply celebrating the moment at hand? No matter what was on your mind that day, here we are 15 years later...a little bit older, a little bit wiser and hopefully a lot more enriched having benefited from the Jesuit education that we each received.

The members of the Class of 1994 Committee invite you, the Class of 1994, to come home to the "U" to celebrate our memories of the past, our accomplishments of the present and the dreams of our future. If you have just recently visited the University or have not walked on the Commons since May of 1994, we want to see you in June for the reunion weekend. You will be amazed at how far the University has come over the years. Seeing the beautiful campus itself will be worth the trip back! Although things may seem different, what is amazing is that the students who have come and gone since 1994 (*along with the current student body*) have all shared that same purple "pride, passion and promise" that we once shared.

So go through your old boxes, get out your old photographs, "meet" book, t-shirts, and "Z" bricks and come back to Scranton. Get ready to tell the funny stories you've laughed about and retold many, many, many times. How great will it be to walk down the Commons and remember some key moments of your Scranton days! What an opportunity to reconnect with old friends and to see the old place that you once called "home!"

We are planning a great weekend, but what will make it memorable is your presence, so we encourage you to set aside the weekend of June 12, 13 and 14 and come back to Scranton!
