

The Class of 1989 Returns June 12-14

Dear Julie,

As the harsh reality that 20 years has passed since our graduation sets in, wouldn't it be nice to look forward to something like...Reunion weekend? !

Harken back to the days when Scranton wasn't a pop culture hot spot. Reawaken those memories of a 4-block by 4-block campus where everyone knew what everyone else was doing (except for the folks in J-Hall). Immerse yourself in the remembering the time before the Steamtown Mall, when Tony Hardings and the Hotel Casey dominated Lackawanna Ave.

Reunion gives us the chance to actually reconnect with people in the real world, not just on social networking websites.

We all have insanely busy lives. June 12-14 is a weekend you can slow down for a moment, reflect on the past 20 years, and return to our Alma Mater to recapture some of the magic of our college years. Don't we owe it to ourselves to recall the Big '80's, forget the past two recessions, and return to a place where coal was once king?
