Dear Scranton Alumni,

With a heavy heart, I write to share that we will be postponing Reunion Weekend, which was scheduled to take place on campus June 12 – 14, 2020. We waited as long as possible to make this decision and did so with great concern for the health and well-being of all involved, especially our alumni and guests. We must plan to celebrate together at a later date.

For those who have been to Reunion in the past, you are familiar with the scale of this special celebration. It's more of a campus takeover, really, and we wouldn't have it any other way. As you can imagine, this unique event is more complex to reschedule than others, so we are working diligently to finalize a contingency plan that we can communicate to all of you as soon as possible. You can expect to hear more from the Office of Alumni Engagement in the coming weeks.

I know that each milestone year only comes around once in a lifetime. Whether it be your five-year reunion or your 50th, it is special and worth celebrating. I look forward to doing so when the time is right.

I leave you now with words shared by Father General Arturo Sosa, S.J.:

We don't know how long this stretch of the road is or what will follow after. So let us ask for light to see the way forward and the grace that we need to work as brothers and sisters in solidarity with the whole of humanity and with the planet on which we live. May the Lord bless and keep us. We walk this journey together. Amen

May God bless and keep you, and may God bless The University of Scranton.
