Loan Programs

Federal Direct Unsubsidized Stafford Loans

The Federal Direct Stafford Unsubsidized Loan program is the primary source of financial aid for many graduate students and requires a minimum half-time enrollment. Graduate Stafford Unsubsidized Loans have a fixed interest rate of 6.60% until June 30, 2019 and 6.08% beginning July 1, 2019 through June 30, 2020 and 1.062% in fees, which are deducted from the loan proceeds. Annual loan limits are tied to the cost of attendance and individual eligibility, with a maximum of \$20,500 for most graduate students. The aggregate loan eligibility for graduate students is \$138,500 (only \$65,500 of this amount may be in Direct Subsidized Loans). The debt limit includes any Stafford Loans received for undergraduate study. Repayment begins six months after students complete a program of study or takes leave of absence for more than six months.

Federal Direct Stafford Electronic Master Promissory Note and Entrance Counseling

For new Stafford Loan borrowers, you will be required to complete an electronic Federal Direct Stafford Loan Master Promissory Note (MPN) and must complete entrance counseling requirements for Graduate/Professional students before receiving the loan funds. Borrowers who completed these requirements 10 or more years ago will need to complete new a MPN and Entrance Counseling. Both can be completed prior to receiving the Financial Aid package. Visit scranton.edu/financialaid, select Loans & Financing Options.

Deferment of Stafford Loans

Students qualify for an In-School Deferment which temporarily suspends payments on student loans while a student is attending school. To qualify, a student must be registered for at least half time status. The Registrar's Office reports enrollment for all students at the beginning of each term to the National Clearinghouse. In-school deferments last as long as a student is attending at least half-time.

The Nurse Anesthesia student's moving into the Graduate level this summer will eventually be reported with a May 2022 graduation date. The Direct Stafford Loans certified during this program will have a six month grace period. Repayment will begin December 2022. Students must work with their loan servicer.

Federal Graduate PLUS Loans

Graduate PLUS Loans may be available to students enrolled for a minimum of half-time enrollment. Students must use the Federal Stafford Loan eligibility (\$20,500) before applying for the Graduate PLUS Loan. Graduate PLUS borrowers may borrow up to the cost of attendance for the period of enrollment, minus other estimated financial assistance received for that period. Graduate PLUS Loans are subject to credit review; however a Graduate PLUS applicant who has an adverse credit history may be able to obtain the loan with an endorser who does not have an adverse credit history. Graduate PLUS Loans have a fixed interest rate of 7.08% beginning July 1, 2019 through June 30, 2020 and 4.264% in fees are deducted from the loan proceeds. Payments are automatically deferred while a student is in school at least half-time. Interest accumulates and may be paid during these periods or capitalized (added to the principal) at a specified time.
