Graduate Stafford Unsubsidized Loans have a fixed interest rate of 6.08% until June 30, 2020 and 1.059% in fees, which are deducted from the loan proceeds. The interest rate is 4.30% for July 1, 2020 through June 30, 2021. Annual loan limits are tied to the cost of attendance and individual eligibility, with a maximum of $20,500 for most graduate students. The debt limit includes any Stafford Loans received for undergraduate study. Repayment begins six months after students complete a program of study or takes leave of absence for more than six months.

For new Stafford Loan borrowers, you will be required to complete an electronic Federal Direct Stafford Loan Master Promissory Note (MPN) and must complete entrance counseling requirements for Graduate/Professional students before receiving the loan funds. Borrowers who completed these requirements 10 or more years ago will need to complete new a MPN and Entrance Counseling. Both can be completed prior to receiving the Financial Aid package. Students qualify for an In-School Deferment which temporarily suspends payments on student loans while a student is attending school. To qualify, a student must be registered for at least half time status. The Registrar's Office reports enrollment for all students at the beginning of each term to the National Clearinghouse. In-school deferments last as long as a student is attending at least half-time.

Graduate PLUS Loans are subject to credit review; however a Graduate PLUS applicant who has an adverse credit history may be able to obtain the loan with an endorser who does not have an adverse credit history. Graduate PLUS Loans have a fixed interest rate of 7.08% beginning July 1, 2019 through June 30, 2020 and 4.264% in fees are deducted from the loan proceeds. The interest rate is 5.30% for July 1, 2020 through June 30, 2021. Payments are automatically deferred while a student is in school at least half-time.
