

Student Transportation to Service Sites

How will I get to my volunteer site?

- **Walk**
Check out this [list of service sites](#) in walking distance of campus!
- **Use your own vehicle**
- **Campus Ministries' Center for Service & Social Justice Van**
The Center for Service & Social Justice has a minivan for transportation to and from volunteer sites during the academic year. Requests for individual transportation to and from volunteer sites must be made at least one week in advance by [filling out the request form online](#). Rides are available within the Scranton area based on the schedules of the student drivers and other scheduled events.

Sorry, but we cannot accommodate transportation for Education majors completing Field Experience or Student Teaching. Please refer to the [Student Teaching Handbook](#) for more information.

- **COLTS Bus** (County of Lackawanna Transit System)
In trying to be more environmentally responsible, we ask students to use the public [COLTS bus system](#) instead of utilizing our van if your service site is on the bus line and if your schedule permits. COLTS bus service is FREE with your Royal Card. Just show your Royal Card to the driver in lieu of your fare anywhere in Lackawanna County!
