It showcases the University's pre-med program and keeps physicians and other health-related professionals informed about campus developments. The Council also nominates alumni in the health related professions for awards and encourages the financial support of this group of University alumni.

ROYAL REFERRAL

Scranton alumni are our best ambassadors. You can tell the Scranton story to a neighbor, friend or relative who is interested in colleges. Scranton alumni are invited and encouraged to refer prospective students to their alma mater via the online referral form accessed from the Web at: www.scranton.edu/royalreferral.

TIME TO VOTE

The terms of the Officers and seven members of the Alumni Board of Governors expire on December 31, 2005. Officers are elected by the Board. Board members are elected by alumni at large. A Society-wide election will take place in December to elect or re-elect successors.

A call for nominees appeared in the July issue of The Alumni Society Newsletter.

The names of candidates will appear on an electronic election ballot and will be e-mailed to all alumni whose e-mail addresses are in the alumni database. Hard copy ballots will be available by calling the Office of Alumni Relations at 1-800-SCRANTON. Vote for the candidates of your choice and help choose those who will represent you on the Board of your Alumni Society. Complete election results will be announced in January.
