Subject: 2022 Annual Security and Fire Safety Report

Members of the University Community,

The University of Scranton Police Department is responsible for preparing and distributing the Annual Security and Fire Safety Report on a yearly basis to provide statistics on criminal activity, fire measures, and information on safety related services offered by the University in compliance with the Jeanne Clery Act. The report contains information and crime statistics for the three previous calendar years involving crimes that occurred on campus; in certain non-campus buildings/property owned or controlled by The University of Scranton; and on public property within, or immediately adjacent and accessible to campus. The report also contains certain policy statements and information regarding campus security and personal safety topics such as crime prevention, fire safety, emergency response procedures, crime reporting policies, disciplinary procedures, and other related information.

You may view the 2022 Annual Security Report or download the document by clicking the following link:
