Virtual Events on Handshake

Various employers host virtual events through the Handshake portal for University of Scranton students to attend. It's important that you register for employer sessions in advance. You can only attend sessions you registered for. Students will be able to sign up for group sessions up until the start of the session. Below are steps on how to register for a virtual event on Handshake:

1. Log into your Handshake account.
2. Click on **Events** in the upper-left corner of the Handshake page, to the right of **Jobs**.
3. All events and fairs posted to your school will load by default. You can use the filters at the top of this page to narrow displayed results.
4. Select the name of an event from the list to view more information.
5. Select the name of the event you'd like to register for, then click **Register** in the upper-right corner. Alternatively, the company may have you select **Register Externally** which will redirect you to their company's registration page.
6. Once you've registered for the event, the event will be added to your schedule on the right of the Event search page. Alternatively, the company will send you a confirmation.
7. Once registered, you will receive an email with more information, including directions on how to access the event.
