

Dear Graduate Student:

The University of Scranton is calling for applicants to serve as a representative on the Graduate Student Association. The GSA represents the interests and needs of the graduate student population. The GSA will meet monthly with the various college-specific representatives and will meet (at least once a semester) with respective College Deans. Students interested in serving in one of the following graduate student leadership roles should submit the attached application, cover letter and resume no later than **Friday, May 10, 2019 to amy.driscollmcnulty@scranton.edu**. Applications will be reviewed by a committee made up of various members of the University's Administration including representatives from Student Life as well as each of the academic colleges.

The Graduate Student Association is made up of 10 student representatives. The number of representatives available is proportionate to the enrollment in each of the respective Colleges with a minimum of two representatives per College and considers both on-campus and on-line programs. The positions available include:

College of Arts and Sciences – 2 seats

Kania School of Management – 1 on-campus program seat; 2 on-line program seats

Panuska College of Professional Studies – 3 on campus program seats; 2 on-line program seats

We sincerely hope you consider sharing your gifts and talents by submitting an application to serve in one of these important roles. If you have any questions regarding the GSA or the application process, do not hesitate to contact Dr. Anitra McShea, Associate Vice President for Student Life at anitra.mcshea@scranton.edu or 570-941-7680.
