The Office of Residence Life at The University of Scranton supervises a staff of undergraduate students in campus housing, known as Resident Assistants (RAs). RAs live in the residence halls and are available to assist other students in their personal and social development. Their role emphasizes incident response, peer counseling, educational programming, community development, and administrative tasks, among other responsibilities. Please do not return this form to the applicant; this evaluation should be emailed to RASelection@scranton.edu or printed and sent to the Office of Residence Life (100 Condron Hall) by December 13, 2019.

Overall, how would you rate this applicant?
